No other or further notice with respect to the Plan Supplement (and all documents identified therein) is necessary or shall be required.

M. Assets Held By the Debtors

20. The factual record establishes that all Digital Assets and Cash held by the FTX Exchanges on or after the Petition Date (“Exchange Assets”) are property of the Debtors’ Estates within the meaning of section 541 of the Bankruptcy Code and can be distributed pursuant to the Plan. Further, to the extent that any Exchange Assets are not property of the Debtors’ Estates, this Court has jurisdiction to direct their equitable distribution pursuant to the

Plan and in accordance with the terms of the Customer Priority Settlement (as defined in the Disclosure Statement) incorporated therein.

N. Bankruptcy Rule 3016

21. The Plan is dated and identifies the Debtors as the entities submitting it, thereby satisfying Bankruptcy Rule 3016(a). The filing of the Disclosure Statement with the Clerk of the Court satisfied Bankruptcy Rule 3016(b).

O. Burden of Proof

22. The Debtors, as proponents of the Plan, have met their burden of proving that the elements of sections 1129(a) and 1129(b) of the Bankruptcy Code are satisfied. Each witness who submitted a declaration or testified at the Confirmation Hearing on behalf of the Debtors, including the Confirmation Declarations, or any other party that was accepted into evidence, in support of the Plan and Confirmation, in connection with the Confirmation Hearing was credible, reliable, and qualified to testify as to the topics addressed in their testimony.

P. Compliance with the Requirements of Section 1129 of the Bankruptcy Code

23. The Plan complies with all applicable provisions of section 1129 of the Bankruptcy Code as follows:

i. Section 1129(a)(1)—Compliance of the Plan with Applicable Provisions of the Bankruptcy Code

24. The Plan complies with all applicable provisions of the Bankruptcy Code as required by section 1129(a)(1) of the Bankruptcy Code, including sections 1122 and 1123 thereof.

a. Sections 1122 and 1123(a)(1)—Proper Classification

25. The classification of Claims and Interests under the Plan is proper under the Bankruptcy Code. Pursuant to sections 1122 and 1123(a)(1) of the Bankruptcy Code, Article

4 of the Plan provides for the separate classification of Claims and Interests into twenty-eight (28) Classes, based on differences in the legal nature or priority of such Claims and Interests (other than Administrative Claims, including Professional Claims, and 503(b)(9) Claims, which are addressed in Article 3 of the Plan and which are not required to be designated as separate Classes of Claims pursuant to section 1123(a)(1) of the Bankruptcy Code). Valid business, factual and legal reasons exist for the separate classification of the various Classes of Claims and Interests created under the Plan, the classifications were not created for any improper purpose, and the creation of such Classes does not unfairly discriminate among Holders of Claims or Interests.

26. The testimony and documents supporting Confirmation of the Plan proffered or adduced by the Debtors at, or prior to, or in declarations filed in connection with, the Confirmation Hearing (a) are reasonable, persuasive, credible and accurate, (b) utilize reasonable and appropriate methodologies and assumptions and (c) have not been controverted by other credible evidence.

27. As required by section 1122(a) of the Bankruptcy Code, each Class of Claims and Interests contains only Claims or Interests that are substantially similar to the other Claims or Interests within that Class. Accordingly, the requirements of sections 1122(a), 1122(b) and 1123(a)(1) of the Bankruptcy Code are satisfied.

b. Section 1123(a)(2)—Specification of Unimpaired Classes

28. Section 4.3 of the Plan specifies that Claims in Class 1, Class 2, Class 3B, Class 4, Class 5C and Class 8A are Unimpaired under the Plan. Administrative Claims, including Professional Claims, and 503(b)(9) Claims also are Unimpaired under the Plan, although these Claims are not classified under the Plan. Accordingly, the requirements of section 1123(a)(2) of the Bankruptcy Code are satisfied.

c. Section 1123(a)(3)—Specification of Treatment of Impaired Classes

29. Section 4.3 of the Plan specifies that Claims and Interests, as applicable, in Class 3A, Class 5A, Class 5B, Class 6A, Class 6B, Class 7A, Class 7B, Class 7C, Class 8B, Class 8C, Class 9, Class 10A, Class 10B, Class 10C, Class 11, Class 12, Class 13, Class 14, Class 15, Class 16, Class 17 and Class 18 are Impaired under the Plan and the treatment for each such Impaired Class. Accordingly, the requirements of section 1123(a)(3) of the Bankruptcy Code are satisfied.

d. Section 1123(a)(4)—No Discrimination

30. Pursuant to section 1123(a)(4) of the Bankruptcy Code, Article 4 of the Plan uniformly provides for the same treatment of each Claim or Interest, as the case may be, in a particular Class, unless the Holder of a particular Claim or Interest has agreed to a less favorable treatment with respect to such Claim or Interest. Accordingly, the requirements of section 1123(a)(4) of the Bankruptcy Code are satisfied.

e. Section 1123(a)(5)—Adequate Means for Plan Implementation

31. Pursuant to section 1123(a)(5) of the Bankruptcy Code, Article 5 and various other provisions of the Plan, along with various agreements set forth in the Plan Supplement, provide adequate and proper means for the Plan's implementation. Accordingly, the requirements of section 1123(a)(5) of the Bankruptcy Code are satisfied.

f. Section 1123(a)(6)—Voting Power of Equity Securities

32. On the Effective Date, all Plan Assets shall be transferred to and vest in the Wind Down Entities free and clear of all Liens, Claims, charges or other encumbrances or interests. The Wind Down Entities shall be managed by the Plan Administrator and shall be subject to a Wind Down Board. No new equity securities, voting or non-voting, will be issued

after the Effective Date. Accordingly, the Plan satisfies the requirements of section 1123(a)(6) of the Bankruptcy Code.

g. Section 1123(a)(7)—Directors and Officers

33. Section 5.11 of the Plan provides for the establishment of and the appointment of directors to the Wind Down Board. The identities of the initial Wind Down Board are disclosed in the Plan Supplement. The Liquidating Trust Agreement, attached as Exhibit 2 to the Plan Supplement, properly and adequately discloses the manner of selection and replacement of any director of the Wind Down Board and officer of the Consolidated Wind Down Trust (a/k/a the FTX Recovery Trust). The appointment of the Wind Down Board is consistent with the interests of Holders, the Estates and public policy.

34. Pursuant to the terms of the Plan Administration Agreement, attached as Exhibit 1 to the Plan Supplement, the Liquidating Trust Agreement, attached as Exhibit 2 to the Plan Supplement and the Plan, and to the extent such powers, duties, and authorities do not affect the status of the Consolidated Wind Down Trust as a liquidating trust for United States federal income tax purposes, the Plan Administrator will be empowered to, among other things, (i) file, withdraw or litigate to judgment objections to Claims, other than Claims that are subject to a valid and timely Bahamas Opt-In Election, (ii) settle or compromise any Disputed Claim without any further notice to or action, order or approval of the Court, (iii) administer and adjust, or cause to be administered and adjusted, the Claims Register to reflect any such settlements or compromises without any further notice to or action, order or approval of the Court, (iv) determine, without the need for notice to or action, order or approval of the Court, that a Claim subject to any Proof of Claim that is filed is Allowed, (v) dissolve, liquidate, consolidate, merge or take any other action to effect dissolution of any Debtors and non-Debtor subsidiaries, and (vi) make and manage Distributions in accordance with and pursuant to the Plan and the Plan

Supplement, in each case, with respect to the Plan Assets which vest in the Consolidated Wind Down Trust. The foregoing is consistent with the interests of the beneficiaries of the Consolidated Wind Down Trust and public policy. Accordingly, the requirements of section 1123(a)(7) of the Bankruptcy Code are satisfied.

h. Section 1123(b)—Discretionary Contents of the Plan

35. The Plan contains various provisions that may be construed as discretionary and are not required for Confirmation under the Bankruptcy Code. As set forth below, such discretionary provisions comply with section 1123(b) of the Bankruptcy Code and are not inconsistent with the applicable provisions of the Bankruptcy Code. Thus, section 1123(b) of the Bankruptcy Code is satisfied.

i. Section 1123(b)(1)-(2)—Claims and Executory Contracts

36. Pursuant to sections 1123(b)(1) and 1123(b)(2) of the Bankruptcy Code, Article 4 of the Plan impairs or leaves unimpaired, as the case may be, each Class of Claims and Interests.

37. Article 6 of the Plan provides for the rejection of all Executory Contracts and Unexpired Leases of the Debtors, other than Executory Contracts or Unexpired Leases (a) previously assumed or rejected pursuant to an order of the Court, (b) that are the subject of a pending motion to assume or (c) that are specifically described in the Plan to be assumed in connection with the Plan.

j. Section 1123(b)(3)—Settlement, Releases, Exculpation, Injunction and Preservation of Causes of Action and Defenses

38. **Compromise and Settlement.** The Plan settles certain issues in these Chapter 11 Cases pursuant to Bankruptcy Rule 9019 and section 363 of the Bankruptcy Code. These settlements are in consideration for the Distributions and other benefits provided under the

Plan and any other compromise and settlement provisions of the Plan. The Plan itself constitutes a compromise of all Claims, Interests and Causes of Action relating to the contractual, legal and subordination rights that any Holder may have with respect to any Allowed Claim or Allowed Interest or any Distribution to be made on account of such Allowed Claim or Allowed Interest. The compromises and settlements embodied in the Plan were reached after good faith, arms'-length negotiations between the Debtors, the Supporting Parties and other respective parties.

39. Specifically, in consideration of the classification, treatment, Distributions, releases and other benefits provided by the Debtors to their stakeholders under the Plan, on the Effective Date, the provisions of the Plan shall constitute a good-faith compromise, settlement and resolution (the "Global Settlement") of all Claims, Interests and Causes of Action against, by or among the Debtors, including without limitation: (a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders; (b) any basis for the contractual, structural and legal subordination rights of any Claim or Interest or any Distribution to be made on account of any Claim or Interest; (c) the purported commingling and misuse of customer deposits and corporate funds; (d) the tracing of assets of individual Debtors to particular sources of funding; (e) transactions among the Debtors prior to and on the Effective Date; (f) the allocation of corporate and administrative expenses across each of the Debtors; (g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates; (h) the Debtors' disregard for corporate separateness before the Petition Date; (i) any causes of action by a Debtor against other Debtors; (j) the purported absence of adequate corporate governance, cash management, accounting and cybersecurity controls by the Debtors and their Affiliates prior to

the commencement of the Chapter 11 Cases; and (k) all Causes of Action relating to any of the foregoing.

40. In connection with the implementation of the Global Settlement pursuant to the Plan: (a) the value of Claims in respect of Digital Assets shall be calculated pursuant to Section 4.4 of the Plan; (b) the Dotcom Intercompany Shortfall Claim and the U.S. Intercompany Shortfall Claim shall be recognized for the benefit of Holders of Allowed Dotcom Customer Entitlement Claims and Allowed U.S. Customer Entitlement Claims; (c) the Alameda U.S. Customer Claim shall be recognized as part of the General Pool; (d) Claims shall be classified and treated as set forth in Article 4 of the Plan, which entitles Holders of Allowed Dotcom Customer Entitlement Claims and Allowed U.S. Customer Entitlement Claims to recover against the (i) Dotcom Customer Priority Assets and the U.S. Customer Priority Assets, respectively, and (ii) General Pool, in accordance with the waterfall priorities set forth in Section 4.2 of the Plan; (e) the Consolidated Debtors shall be substantively consolidated as set forth in Section 5.7 of the Plan; (f) Cancelled Intercompany Claims, Equitably Subordinated Claims, FTT Claims and Interests and De Minimis Claims shall be cancelled; (g) Separate Subsidiary Intercompany Claims, Senior Subordinated IRS Claims, Senior Subordinated Governmental Claims, Junior Subordinated IRS Claims, Preferred Equity Interests, Section 510(b) Preferred Equity Claims and Section 510(b) Other Equity Claims shall be subordinated to Claims of other Holders, in accordance with the waterfall priorities set forth in Section 4.2 of the Plan; (h) Holders of Other Equity Interests shall recover against the General Pool in accordance with the waterfall priorities set forth in Section 4.2 of the Plan; (i) Distributions to customers and creditors shall be made in Cash (other than in Available NFTs) as set forth in Articles 4 and 7 of the Plan; (j) all assets scheduled by the Debtors shall constitute property of the Debtors' Estates; (k) interest shall be

paid at the applicable rate to Holders of certain Claims in accordance with Section 7.1 of the Plan and the treatment set forth in Section 4.3 of the Plan; and (l) interest shall be paid at the Consensus Rate to Holders of Allowed Dotcom Customer Entitlement Claims, Allowed U.S. Customer Entitlement Claims, Allowed Dotcom Convenience Claims and Allowed U.S. Convenience Claims in accordance with Section 7.1 of the Plan and the treatment set forth in Section 4.3 of the Plan.

41. The entry of this Confirmation Order constitutes the Court's approval of the Global Settlement, including the Customer Priority Settlement, under section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, as well as findings by the Court that the Global Settlement is fair, equitable, reasonable and in the best interests of the Debtors, their Estates and Holders of Claims and Interests and fall above the lowest point in the range of reasonableness.

42. **Customer Preference Settlement.** Section 5.5 of the Plan incorporates a separate settlement through the waiver of certain Customer Preference Actions against Holders of Dotcom Customer Entitlement Claims or U.S. Customer Entitlement Claims if such Holder duly executes and timely returns a valid Ballot by the Voting Deadline that (i) votes to accept the Plan, and (ii) consents and stipulates to the amount of such Dotcom Customer Entitlement or U.S. Customer Entitlement Claim as set forth in the applicable Ballot for voting, allowance and Distribution purposes (the "Customer Preference Settlement").

43. The terms of the Customer Preference Settlement, including the preservation of the Excluded Customer Preference Actions, are independently fair, equitable, reasonable and in the best interests of the Debtors, their Estates and Holders of Claims and Interests and fall above the lowest point in the range of reasonableness. The entry of this

Confirmation Order constitutes the Court's approval of the Customer Preference Settlement under sections 363 and 1123 of the Bankruptcy Code and Bankruptcy Rule 9019.

44. **Releases by the Debtors.** The releases and discharges by the Debtors described in Section 10.4 of the Plan (the "Debtors' Release") pursuant to section 1123(b)(3)(A) of the Bankruptcy Code represent a valid exercise of the Debtors' business judgment.

45. **Voluntary Release by Holders of Claims and Interests.** The voluntary release by certain Holders of Claims and Interests described in Section 10.4 of the Plan (the "Voluntary Release by Holders of Claims and Interests") is appropriate because it was voluntary and all Releasing Parties had the opportunity to opt out of the release. The Voluntary Release by Holders of Claims and Interests is provided only by (a) the Debtors; (b) each member of the Official Committee and the Supporting Parties; (c) the Holders of all Claims who vote to accept the Plan and do not opt out of granting the releases set forth therein; (d) the Holders of all Claims that are Unimpaired under the Plan; (e) the Holders of all Claims whose vote to accept or reject the Plan is solicited but who (i) abstain from voting on the Plan and (ii) do not opt out of granting the releases set forth therein; (f) the Holders of all Claims or Interests who vote to reject the Plan but do not opt out of granting the releases set forth therein; and (g) the Holders of all Claims or Interests who are deemed to reject the Plan and opt in to the releases set forth therein.

46. The Voluntary Release by Holders of Claims and Interests is appropriately narrow in scope. It expressly excludes Claims or Causes of Action arising from gross negligence, willful misconduct, fraud or a criminal act, and it excludes Causes of Action to the extent arising out of conduct that occurred prior to the Petition Date. The Voluntary Release by Holders of Claims and Interests is sufficiently voluntary and can be considered to be (a) given in exchange for the good, valuable and significant consideration provided by the Released Parties;

(b) a good faith settlement and compromise of the claims released by Holders of Claims and Interests electing to provide such release; (c) in the best interests of the Debtors and all Holders; (d) fair, equitable and reasonable; (e) given and made after notice and opportunity for hearing; (f) given at arms'-length and in good faith; (g) appropriately narrow in scope; and (h) a bar to any Releasing Party asserting any and all claims, obligations, rights, suits, damages, Causes of Action and defenses, remedies and liabilities whatsoever, released by the Voluntary Release by Holders of Claims and Interests against any of the Released Parties to the fullest extent permitted by applicable law and is hereby approved.

47. **Exculpation.** The exculpation provisions set forth in Section 10.7 of the Plan are essential to the Plan. The record in these Chapter 11 Cases fully supports the exculpation, and the exculpation provisions set forth in Section 10.7 of the Plan are appropriately tailored to protect the Exculpated Parties from inappropriate litigation related to acts or omissions including and after the Petition Date and up to and including the Effective Date and are hereby approved. For the avoidance of doubt, neither the Ad Hoc Committee nor any of its members are acting as a fiduciary for the benefit of any Debtor, its Estate or its creditors.

48. Based on the record in these Chapter 11 Cases, the Exculpated Parties have acted in "good faith" within the meaning of section 1125(e) of the Bankruptcy Code in compliance with the applicable provisions of the Bankruptcy Code and Bankruptcy Rules in connection with all their respective activities relating to the Plan, including any action or inaction in connection with their participation in the activities described in section 1125 of the Bankruptcy Code. Accordingly, the Exculpated Parties are entitled to the protections afforded by section 1125(e) of the Bankruptcy Code and the exculpation provisions set forth in Section 10.7 of the Plan. The Exculpated Parties, up to and including the Effective Date, will continue to

act in good faith, if they proceed to (a) consummate the Plan and the agreements, settlements, transactions and transfers contemplated thereby regardless of whether such agreements, settlements, transactions, transfers, and other actions are expressly authorized by this Confirmation Order and (b) take the actions authorized and directed or contemplated by this Confirmation Order. The Exculpated Parties made (and will continue to make) significant contributions to the Chapter 11 Cases and played an integral role in working towards the resolution of the Chapter 11 Cases. Accordingly, the exculpations contemplated by the Plan are an appropriate exercise of the Debtors' business judgment and are fair, reasonable, and appropriate under the circumstances of the Chapter 11 Cases.

49. **Injunction.** The injunction provisions set forth in Section 10.8 of the Plan are essential to the Plan and are (a) necessary to preserve and enforce the Debtors' Release, the Voluntary Release by Holders of Claims and Interests and the exculpation provisions set forth in Section 10.7 of the Plan, (b) fair and reasonable and (c) narrowly tailored to achieve their purpose.

50. Each of the Debtors' Release, the Voluntary Release by Holders of Claims and Interests, the exculpation provisions and the injunction provisions are: (a) within the jurisdiction of the Court; (b) an essential means of implementing the Plan; (c) an integral and non-severable element of the settlements and transactions incorporated into the Plan; (d) in the best interests of the Debtors, their Estates and all stakeholders in these Chapter 11 Cases; and (e) narrowly tailored and consistent with sections 105, 1123 and 1129 of the Bankruptcy Code, other provisions of the Bankruptcy Code and other applicable law. Each of the Debtors' Release, the Voluntary Release by Holders of Claims and Interests, the exculpation provisions and the injunction provisions were adequately disclosed and explained in the Disclosure

Statement, the Plan and the Solicitation Packages. The record of the Confirmation Hearing and these Chapter 11 Cases is sufficient to support the Debtors' Release, the Voluntary Release by Holders of Claims and Interests, the exculpation provisions and the injunction provisions contained in Article 10 of the Plan, and failure to give effect to the foregoing would impair the Debtors' ability to confirm and implement the Plan. Based on the record of the Chapter 11 Cases, the representations of the parties, and the evidence proffered, adduced and presented at the Confirmation Hearing, the Court finds that the Debtors' Release, the Voluntary Release by Holders of Claims and Interests, the exculpation provisions and the injunction provisions contained in Article 10 of the Plan are consistent with the Bankruptcy Code and applicable law.

51. **Preservation of Causes of Action and Defenses.** Subject to the Plan, unless any Causes of Action and defenses held by the Debtors are expressly waived, relinquished, exculpated, released, compromised or settled in the Plan, including pursuant to Article 10 of the Plan or a Final Order, such Causes of Action are expressly reserved by the Consolidated Wind Down Trust for later adjudication and, accordingly, no doctrine of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise), laches or other preclusion doctrine shall apply to such Cause of Action as a consequence of Confirmation, the Plan, or the vesting of such Cause of Action in the Consolidated Wind Down Trust. The provisions regarding such Causes of Action retained as Plan Assets in the Plan are appropriate, fair, equitable and reasonable and are in the best interests of the Debtors, their Estates and all Holders.

52. **Section 1123(d)—Cure of Defaults.** Article 6 of the Plan provides for the rejection of all Executory Contracts and Unexpired Leases other than Executory Contracts or Unexpired Leases (a) previously assumed or rejected pursuant to an order of the Court, (b) that

are the subject of a pending motion to assume or (c) that are specifically described in the Plan to be assumed in connection with the Plan.

53. Additionally, the Plan Supplement also included a list of Executory Contracts and Unexpired Leases proposed to be assumed in connection with the Plan. As evidenced by the Cure Affidavits of Service, the Debtors have served the Cure Notices to all applicable counterparties of the Executed Contracts and Unexpired Leases proposed to be assumed in connection with the Plan, which notices included the proposed cure amount and procedures for objecting to, and resolving proposed assumptions of such Executory Contracts and Unexpired Leases. Accordingly, the requirements of section 1123(d) of the Bankruptcy Code are satisfied.

ii. Section 1129(a)(2)—Compliance of the Debtors with the Applicable Provisions of the Bankruptcy Code

54. The Debtors, as proponents of the Plan, have complied with all applicable provisions of the Bankruptcy Code as required by section 1129(a)(2) of the Bankruptcy Code, including sections 1122, 1123, 1124, 1125, 1126 and 1128 of the Bankruptcy Code and Bankruptcy Rules 3017, 3018, 3019 and 9019.

55. Votes to accept or reject the Plan were solicited by the Debtors in accordance with the Solicitation Procedures Order after the Court approved the adequacy of the Disclosure Statement.

56. The Debtors and their agents (including each of their respective directors, officers, employees, members, partners, agents or representatives, including attorneys, accountants, financial advisors and investment bankers, each solely in their capacity as such and solely to the extent such persons or entities solicit votes on the Plan) have solicited and tabulated votes on the Plan and have participated in the activities described in section 1125 of the

Bankruptcy Code in good faith within the meaning of section 1125(e) of the Bankruptcy Code and in a manner consistent with the applicable provisions of the Solicitation Procedures Order, the Bankruptcy Code, the Bankruptcy Rules and all other applicable rules, laws and regulations, and are entitled to the protections afforded by section 1125(e) of the Bankruptcy Code.

57. The Debtors and other Exculpated Parties have participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation of acceptances or rejections of the Plan and, therefore, are not, and will not be, liable at any time for the violation of any applicable law, rule or regulation governing the solicitation of acceptances or rejections of the Plan. Accordingly, the requirements of section 1129(a)(2) of the Bankruptcy Code are satisfied.

iii. Section 1129(a)(3)—Proposal of Plan in Good Faith

58. The Debtors have proposed the Plan (including the Plan Documents) in good faith and not by any means forbidden by law. In determining that the Plan has been proposed in good faith, the Court has examined the totality of the circumstances surrounding the filing of these Chapter 11 Cases, the Plan itself and the process leading to its formulation. The Debtors' good faith is evident from the record of these Chapter 11 Cases, the Disclosure Statement and the hearing thereon, the record of the Confirmation Hearing and other proceedings held in these Chapter 11 Cases.

59. The Plan is the product of extensive, good faith, arm's-length negotiations among the Debtors and certain of their principal constituencies, including the Supporting Parties. The Plan itself and the process leading to its formulation provide independent evidence of the Debtors' good faith, serve the public interest and assure fair treatment of Holders. Accordingly, the requirements of section 1129(a)(3) of the Bankruptcy Code are satisfied.

iv. Section 1129(a)(4)—Court Approval of Certain Payments as Reasonable

60. The procedures set forth in the Plan for payment of, and/or the Court’s review and ultimate determination of, the fees and expenses to be paid by the Debtors in connection with these Chapter 11 Cases, or in connection with the Plan and incidental to these Chapter 11 Cases, satisfy the objectives of, and are in compliance with, section 1129(a)(4) of the Bankruptcy Code. Accordingly, the requirements of section 1129(a)(4) of the Bankruptcy Code are satisfied.

v. Section 1129(a)(5)—Disclosure of Identity of Proposed Management, Compensation of Insiders and Consistency of Management Proposals with the Interests of Creditors and Public Policy

61. The identities of, and the terms of the proposed compensation (where determined) to be paid to, the directors and officers of the Consolidated Wind Down Trust are consistent with the interests of Holders of Claims and Interests and with public policy. The members of the Creditor Advisory Committee were disclosed in the Plan Supplement as required by Section 1129(a)(5) of the Bankruptcy Code. The proposed directors and officers for the Consolidated Wind Down Trust and members of the Creditor Advisory Committee are qualified, and their appointment to, or continuance in, such office is consistent with the interests of Holders of Claims and Interests and with public policy. Accordingly, the requirements of section 1129(a)(5) of the Bankruptcy Code are satisfied.

vi. Section 1129(a)(6)—Approval of Rate Changes

62. The Plan does not contain any rate changes subject to the jurisdiction of any governmental regulatory commission. Therefore, section 1129(a)(6) of the Bankruptcy Code is inapplicable to these Chapter 11 Cases.

vii. Section 1129(a)(7)—Best Interests of Holders of Claims and Interests

63. Each Holder of an Impaired Claim or Impaired Interest either has accepted the Plan or will receive or retain under the Plan, on account of such Claim or Interest, property of a value, as of the Effective Date, that is not less than the amount that such Holder would receive or retain if the Debtors were liquidated under chapter 7 of the Bankruptcy Code on such date.

64. The liquidation analysis attached as Appendix D to the Disclosure Statement and the other evidence related thereto in support of the Plan that was proffered or adduced at or prior to, or in declarations in connection with, the Confirmation Hearing, which has been accepted into evidence in support of Confirmation: (a) are reasonable, persuasive, credible and accurate as of the dates such analysis or evidence was prepared, presented or proffered; (b) utilize reasonable and appropriate methodologies and assumptions; (c) have not been controverted by other evidence; and (d) establish that recoveries for non-accepting Holders of Allowed Claims and Allowed Interests in every Class under the Plan on account of such Claim or Interest, as of the Effective Date, will have a value equal to or greater than the amount such Holder would receive if the applicable Debtor was liquidated on the Effective Date under chapter 7 of the Bankruptcy Code. Accordingly, the requirements of section 1129(a)(7) of the Bankruptcy Code are satisfied.

viii. Section 1129(a)(8)—Conclusive Presumption of Acceptance by Unimpaired Classes; Acceptance of the Plan by Certain Impaired Classes

65. Class 1, Class 2, Class 3B, Class 4, Class 5C and Class 8A are Unimpaired Classes of Claims and are conclusively presumed to have accepted the Plan under section 1126(f) of the Bankruptcy Code. Class 3A, Class 5A, Class 5B, Class 6A, Class 6B, Class 7A, Class 7B, Class 7C, Class 8B, Class 8C, Class 10A, Class 10B, Class 10C and Class 12 are Impaired by the Plan and entitled to vote on the Plan, while Class 9, Class 11, Class 13, Class 14,

Class 15, Class 16, Class 17 and Class 18 are Impaired by the Plan and deemed to reject. As set forth in the Voting Report, Class 3A, Class 5A, Class 5B, Class 6A, Class 6B, Class 7A, Class 7B, Class 7C, Class 8B, Class 10A, Class 10B, Class 10C and Class 12 have voted to accept the Plan. As set forth below, pursuant to section 1129(b)(1) of the Bankruptcy Code, the Plan may be confirmed notwithstanding that the Impaired Rejecting Classes are either deemed to reject, or voted not to accept, the Plan.

66. Because the Plan has not been accepted by the Impaired Rejecting Classes, the Debtors seek Confirmation under section 1129(b), rather than section 1129(a)(8), of the Bankruptcy Code. Thus, although section 1129(a)(8) of the Bankruptcy Code has not been satisfied with respect to the rejecting Classes, the Plan is confirmable because the Plan does not discriminate unfairly and is fair and equitable with respect to the rejecting Classes and thus satisfies the requirements of section 1129(b) of the Bankruptcy Code with respect to the Impaired Rejecting Classes as described further below.

ix. Section 1129(a)(9)—Treatment of Claims Entitled to Priority Pursuant to Section 507(a) of the Bankruptcy Code

67. The treatment of Administrative Claims, including Professional Claims, 503(b)(9) Claims and Priority Tax Claims under Article 3 of the Plan satisfies the requirements of, and complies in all respects with, section 1129(a)(9) of the Bankruptcy Code.

x. Section 1129(a)(10)—Acceptance by At Least One Impaired Class

68. As set forth in the Voting Report, the Impaired Accepting Classes have voted to accept the Plan. As such, there is at least one Class of Claims that is Impaired under the Plan and has accepted the Plan, determined without including any acceptance of the Plan by any insider (as defined by the Bankruptcy Code). Accordingly, the requirements of section 1129(a)(10) of the Bankruptcy Code are satisfied.

xi. Section 1129(a)(11)—Feasibility of the Plan

69. The Plan satisfies section 1129(a)(11) of the Bankruptcy Code. The evidence supporting the Plan proffered or adduced by the Debtors at, or in declarations filed in connection with, the Confirmation Hearing, which has been accepted into evidence in support of Confirmation: (a) is reasonable, persuasive, credible and accurate as of the dates such analysis or evidence was prepared, presented or proffered; (b) utilizes reasonable and appropriate methodologies and assumptions; (c) has not been controverted by other evidence; and (d) establishes that the Plan is feasible and Confirmation of the Plan is not likely to be followed by the need for further liquidation or financial reorganization of the Debtors or any successor to the Debtors under the Plan except as provided in the Plan. Accordingly, the requirements of section 1129(a)(11) of the Bankruptcy Code have been satisfied.

xii. Section 1129(a)(12)—Payment of Fees

70. All U.S. Trustee Fees payable on or before the Effective Date shall be paid in full in Cash on the Effective Date by the Debtors. After the Effective Date, the Plan Administrator shall pay any and all U.S. Trustee Fees in full in Cash when due in each Chapter 11 Case for each quarter (including any fraction thereof) until each Chapter 11 Case is closed, dismissed or converted to cases under Chapter 7 of the Bankruptcy Code, which ever occurs first with respect to each respective Chapter 11 Case. The Debtors shall file all monthly operating reports when they become due, using UST Form 11-MOR. After the Effective Date, the Plan Administrator shall file with the Bankruptcy Court a postconfirmation quarterly report for each Chapter 11 Case for each quarter (including any fraction thereof) such case is pending, using UST Form 11-PCR. Notwithstanding anything to the contrary in the Plan, (i) U.S. Trustee Fees are Allowed; (ii) the U.S. Trustee shall not be required to file any proof of claim or any other request(s) for payment with respect to U.S. Trustee Fees; and (iii) the U.S. Trustee shall not be

treated as providing any release under the Plan. Accordingly, the Debtors have satisfied the requirements of section 1129(a)(12) of the Bankruptcy Code.

xiii. Section 1129(a)(13), (14), (15) and (16)—Non-Applicability of Certain Sections

71. The Debtors do not owe any “retiree benefits” (as defined in section 1114 of the Bankruptcy Code) or domestic support obligations and is not a non-profit entity. Therefore, sections 1129(a)(13), 1129(a)(14), 1129(a)(15) and 1129(a)(16) of the Bankruptcy Code do not apply to these Chapter 11 Cases.

xiv. Section 1129(b)—Confirmation of the Plan Over Non-Acceptance of Impaired Class

72. The Plan may be confirmed pursuant to section 1129(b) of the Bankruptcy Code notwithstanding that the requirements of section 1129(a)(8) have not been met because the Debtors have demonstrated by a preponderance of the evidence that the Plan (a) satisfies all of the other requirements of section 1129(a) of the Bankruptcy Code; (b) allows no Holder of a Claim or Interest in a Class senior to each such Class to receive more than payment in full on account of its Claim or Interest; and (c) does not “discriminate unfairly” and is “fair and equitable” with respect to the Impaired Rejecting Classes, as applicable.

73. The Plan does not “discriminate unfairly” with respect to the Impaired Rejecting Classes because there is no discrimination in treatment between Holders in such Classes and there are no other Classes comprised of Holders with similar or comparable legal rights.

74. The Plan is “fair and equitable” with respect to Holders of Claims in Class 9, Class 11, Class 13, Class 14, Class 15, Class 16, Class 17 and Class 18 because there is no Class junior to any of Class 9, Class 11, Class 13, Class 14, Class 15, Class 16, Class 17 and Class 18 that is receiving or retaining “any property” “on account” of such Claim or Interest under the Plan.

Holders of Class 10 Claims may receive property on account of their claims, but such distributions are pursuant to voluntary subordination in accordance with settlements reached in these Chapter 11 Cases, including the IRS Settlement. Accordingly, the Plan satisfies the requirements of sections 1129(b)(2)(B)(ii) and 1129(b)(2)(C)(ii) of the Bankruptcy Code and is fair and equitable with respect to all classes of Claims and Interests.

75. The Plan therefore satisfies the requirements of section 1129(b) of the Bankruptcy Code and may be confirmed.

xv. Section 1129(c)—Only One Plan

76. Other than the Plan (including previous versions thereof), no other plan has been filed in these Chapter 11 Cases. Accordingly, the requirements of section 1129(c) of the Bankruptcy Code have been satisfied.

xvi. Section 1129(d)—Principal Purpose of the Plan Is Not Avoidance of Taxes or Application of Securities Laws

77. No party (including any governmental unit) has requested that the Court refuse to confirm the Plan on the grounds that the principal purpose of the Plan is the avoidance of taxes or the avoidance of the application of section 5 of the Securities Act of 1933 (as amended, the “Securities Act”), and the principal purpose of the Plan is not such avoidance. Accordingly, the requirements of section 1129(d) of the Bankruptcy Code are satisfied.

Q. Section 1129(e)—Small Business Case

78. None of these Chapter 11 Cases is a “small business case,” as that term is defined in the Bankruptcy Code, and, accordingly, section 1129(e) of the Bankruptcy Code is inapplicable.

R. Satisfaction of Confirmation Requirements

79. Based upon the foregoing, all other pleadings, documents, exhibits, statements, declarations, certificates and affidavits filed in connection with Confirmation of the Plan and all evidence and arguments made, proffered or adduced at the Confirmation Hearing which has been accepted into evidence in support of Confirmation, the Plan satisfies all requirements for confirmation set forth in section 1129 of the Bankruptcy Code.

S. Likelihood of Satisfaction of Conditions Precedent to the Effective Date

80. Each of the conditions precedent to the Effective Date, as set forth in Section 9.1 of the Plan, and without affecting the rights of any party to enforce such condition, has been satisfied in accordance with the provisions of the Plan, or is reasonably likely to be satisfied or waived in accordance with Section 9.1 of the Plan on or prior to the Effective Date.

T. Implementation

81. All documents and agreements necessary or appropriate to implement the Plan, including those contained in the Plan Supplement, and all other relevant and necessary documents, instruments and certificates (collectively, and as each may be amended, supplemented, or modified on or before the date of this Confirmation Order, the “Plan Documents”) are essential elements of the Plan and entry into and consummation of the transactions contemplated by each of the Plan Documents is in the best interests of the Debtors, their Estates and Holders of Claims and Interests. The Debtors have exercised reasonable business judgment in determining to enter into the Plan Documents and have provided sufficient and adequate notice of the Plan Documents (if notice was required). The terms and conditions of the Plan Documents are fair and reasonable, in the best interests of the Debtors and their estates, were negotiated in good faith and at arm’s length, and are approved. The Plan Documents shall be valid, binding and enforceable documents and agreements not in conflict with any federal,

state or local law. The Debtors and the Plan Administrator are authorized, without further approval of this Court, to finalize, execute and deliver all agreements, documents, instruments and certificates relating to the transactions contemplated by the Plan Documents and perform their obligations thereunder.

82. The Debtors or the Plan Administrator, as applicable, may take all actions to execute, deliver, file or record such contracts, instruments, releases and other agreements or documents, and take such actions as may be necessary or appropriate to effectuate and implement the provisions of the Plan.

U. Corporate Action

83. Upon the Effective Date, all actions contemplated by, and set forth in, the Plan and the Plan Documents shall be deemed authorized and approved. All matters provided for in the Plan involving the corporate structure of the Debtors or the Wind Down Entities and any corporate action required by the Debtors or the Wind Down Entities in connection with the implementation of the Plan shall be deemed to have occurred and shall be in effect upon the Effective Date, without any requirement of further action by the directors or officers of the Debtors or the Consolidated Wind Down Trust.

84. From and after the Confirmation Date but prior to, on or after the Effective Date (as appropriate), all matters provided for pursuant to the Plan or the Plan Documents that would otherwise require approval of the shareholders, directors or members of the Debtors shall be deemed to have been so approved and shall be in effect prior to, on or after the Effective Date (as appropriate), pursuant to applicable law, and without any requirement of further action by the shareholders, directors, managers or partners of the Debtors, or the need for any approvals, authorizations, actions or consents.

V. Substantive Consolidation

85. Substantive consolidation of the Estates of the Consolidated Debtors into a single Entity, as set forth in the Plan, is fair, equitable, reasonable and in the best interests of the Debtors, their Estates and the Holders of Claims and Interests. Postpetition, the Debtors' assets and liabilities are so scrambled due to the prepetition actions of the FTX Group (as defined in the Disclosure Statement) that separating them is prohibitive and hurts all creditors. Substantive consolidation results in equitable treatment to all creditors and was not used to disadvantage a particular creditor group. Accordingly, the requirements of substantive consolidation as set forth in *In re Owens Corning*, 419 F.3d 195 (3d Cir. 2005), are satisfied and the substantive consolidation of the Estates of the Consolidated Debtors into a single Entity in accordance with the Plan is hereby approved.

W. Executory Contracts and Unexpired Leases

86. The Debtors have exercised reasonable business judgment in determining to reject by the Plan all Executory Contracts and Unexpired Leases pursuant to sections 365 and 1123 of the Bankruptcy Code other than Executory Contracts or Unexpired Leases (a) previously assumed or rejected pursuant to an order of the Court, (b) that are the subject of a pending motion to assume or (c) that are specifically described in the Plan to be assumed in connection with the Plan. Each rejection of an Executory Contract or Unexpired Lease in accordance with the Plan, this Confirmation Order, other orders of the Court or otherwise shall be legal, valid and binding upon all non-debtor parties to such Executory Contract or Unexpired Lease, all to the same extent as if such rejection had been authorized and effectuated pursuant to a separate order of the Court that was entered pursuant to section 365 of the Bankruptcy Code before Confirmation.

87. The Debtors have also provided sufficient and adequate notice to any Entity whose Executory Contract or Unexpired Lease is proposed to be assumed in connection with the Plan, including with respect to the proposed cure amount for such contracts and leases. The Plan also serves as adequate notice to all Entities whose Executory Contract or Unexpired Lease is being rejected because the Plan rejects all contracts unless such contracts (a) were previously assumed or rejected pursuant to an order of the Court, (b) are the subject of a pending motion to assume or (c) are specifically described in the Plan to be assumed in connection with the Plan.

X. Retention of Jurisdiction

88. Except as otherwise provided in the Plan, this Confirmation Order or the Plan Documents, the Court shall retain jurisdiction over the matters set forth in Section 12 of the Plan and other applicable provisions of the Plan.

II. ORDER

BASED ON THE FOREGOING FINDINGS OF FACT AND CONCLUSIONS OF LAW, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

A. Order

89. The Plan and all of its provisions are confirmed. A copy of the Plan is attached hereto as Exhibit A.

B. Objections

90. All parties have had a fair opportunity to litigate all issues raised by objections, or which might or could have been raised, and the objections have been fully and fairly litigated. The record of the Confirmation Hearing is hereby closed. To the extent that any objections, reservations of rights, statements, or joinders to Confirmation have not been

withdrawn, waived, resolved or settled before entry of this Confirmation Order, resolved by the relief granted herein or otherwise resolved as stated on the record of the Confirmation Hearing, such objections, reservations of rights, statements and joinders are hereby overruled on the merits.

C. Confirmation of the Plan

91. The Plan and the Plan Supplement shall be, and hereby are, confirmed under section 1129 of the Bankruptcy Code. Subject to the terms of the Plan, the Debtors reserve the right to alter, amend, update, or modify the Plan Supplement in accordance with section 1127(b) of the Bankruptcy Code or remedy any defect or omission or reconcile any inconsistency in the Plan in such manner as may be necessary or appropriate to carry out the purpose and intent of the Plan. The Debtors or the Plan Administrator, as applicable, may take all actions to execute, deliver, file or record such contracts, instruments, releases and other agreements or documents, and take such actions as may be necessary or appropriate to effectuate and implement the provisions of the Plan. The Debtors and, after the Effective Date, the Wind Down Entities are authorized, without further approval of the Court, to execute and deliver all documents and agreements, including those contained in the Plan Supplement, and all other relevant and necessary documents, agreements, instruments and certificates relating to the transactions contemplated by the Plan and necessary or appropriate to implement the Plan, and perform their obligations thereunder. As set forth in the Plan, once finalized and executed, upon the occurrence of the Effective Date, the documents comprising the Plan Documents shall constitute legal, valid, binding and authorized obligations of the respective parties thereto, enforceable in accordance with their terms.

D. Findings of Fact and Conclusions of Law

92. The findings of fact and the conclusions of law set forth herein shall constitute findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to the proceeding by Bankruptcy Rule 9014. To the extent any of the following articles, sections or provisions constitute findings of fact or conclusions of law, they are adopted as such.

E. Global Settlement of Claims and Interests

93. Pursuant to section 363 of the Bankruptcy Code and Bankruptcy Rule 9019 and in consideration for the Distributions, releases and other benefits provided pursuant to the Plan, the Global Settlement, including but not limited to the Customer Priority Settlement (as defined in the Disclosure Statement), is approved. The Global Settlement constitutes a good faith compromise of all Claims, Interests and controversies relating to the contractual, legal, and subordination rights that a Holder of an Allowed Claim or Interest may have against the Debtors, or any Distribution to be made on account of such Allowed Claim or Interest. Approval of such compromise or settlement of all such Claims, Interests or controversies, as well as such compromise or settlement, is in the best interests of the Debtors and their Estates, is fair, equitable and reasonable and falls above the lowest point in the range of reasonableness. Subject to Article 7 of the Plan, all Distributions made to Holders of Allowed Claims or Interests in any Class are intended to be, and shall be, final.

F. Implementation of the Consolidated Wind Down Trust

94. The creation and implementation of the Consolidated Wind Down Trust in accordance with the terms of this Confirmation Order, the Plan and the Liquidating Trust Agreement, and the appointment of the Wind Down Board and Appointed Director (as defined in the Plan Supplement) to accomplish the purposes of the Consolidated Wind Down Trust, as set

forth in the Liquidating Trust Agreement, are each hereby authorized. Subject to Article 5 of the Plan, the Consolidated Wind Down Trust and the Creditor Advisory Committee shall be established on or prior to the Effective Date. After the Effective Date, the Consolidated Wind Down Trust, to the extent a successor to the Debtors, and each member of its board and management shall have no liability other than as set forth in the Liquidating Trust Agreement and the Plan, and shall have no other obligations other than to carry out the purpose and obligations of the Consolidated Wind Down Trust in accordance with the Plan Documents.

95. The Debtors, the Consolidated Wind Down Trust, and their respective members, directors, officers, representatives and agents are hereby authorized to enter into, execute, deliver, file and/or implement any documents and instruments substantially consistent with or incidental to the Plan, and any amendments, supplements or modifications thereto as may be appropriate, and to take such other steps and perform such other acts as may be necessary, useful or appropriate to implement and effectuate the Plan and all other related instruments and documents and this Confirmation Order, and to satisfy all other conditions precedent to the implementation and effectiveness of the Plan. The Consolidated Wind Down Trust is hereby authorized to make distributions and other payments in accordance with the Plan and the Liquidating Trust Agreement, regardless of whether any appeal of this Confirmation Order has been filed, except to the extent a stay pending appeal has been granted and such stay pending appeal expressly prohibits such distributions and other payments contemplated by the Plan.

96. No Holder of a Claim or Interest or any other party-in-interest shall have, or otherwise pursue, any Cause of Action against the Wind Down Board, the Consolidated Wind Down Trust or the consultants or professionals thereof (for each of the foregoing, solely in the performance of their duties in connection with making payments and distributions under the

Plan) for making payments and distributions in accordance with the Plan and the Liquidating Trust Agreement or for fulfilling any functions incidental to implementing the provisions of the Plan or the Liquidating Trust Agreement, except as permitted by the Plan or the Liquidating Trust Agreement.

G. Creditor Advisory Committee

97. Subject to Article 5 of the Plan, the Wind Down Board and the Plan Administrator shall consult with the Advisory Committee in good faith on all of its material decisions concerning the Wind Down Entities, the Plan Administrator and the Advisory Committee from time to time. The members of the Advisory Committee, other than the Appointed Director on the Wind Down Board, shall have the right to attend formal meetings of the Wind Down Board as non-voting observers (and receive all related board materials and reports), subject to such limitations as the Wind Down Board may set from time to time to address any actual or potential conflict of interest. The Appointed Director shall have the opportunity to consult with the other members of the Advisory Committee prior to voting on any actions in its capacity as a member of the Wind Down Board. Similarly, the Wind Down Board of Directors shall have the right to consult in executive session without the Advisory Committee members.

98. Subject to Section 5.20 of the Plan, the members of the Advisory Committee shall receive reasonable and customary compensation, indemnification, and exculpation, and may retain and employ Delaware counsel, one additional law firm and one financial advisory firm to assist the Advisory Committee in the performance of its duties, with the reasonable and documented fees and expenses of these professionals to be borne or reimbursed by the Wind Down Entities. These professional firms shall be chosen by majority

vote of the Advisory Committee and be acceptable to the Wind Down Board (such consent not to be unreasonably withheld).

99. If the Wind Down Board approves an action (i) that the Appointed Director has voted against in his or her capacity as a member of the Wind Down Board and (ii) which a majority of the Advisory Committee (including the Appointed Director) also objects, the Appointed Director may send a Notice of Objection. Upon the Appointed Director's vote against a proposed action by the Wind Down Board, the Wind Down Entities shall refrain from taking the contested action unless a Notice of Objection is not timely provided; if a Notice of Objection is timely provided, the Wind Down Board shall not take the proposed action without either order of the Court or the expiration of a seven-day waiting period. During this seven-day waiting period, the Advisory Committee may file an objection to the proposed action with the Court, describing the basis therefor in reasonable detail. If no objection is filed with the Court within such seven-day period, the Notice of Objection shall have no further effect, the Wind Down Entities may proceed with the proposed action and the Advisory Committee shall be deemed to have waived any right to challenge the proposed action.

100. If the Advisory Committee files a timely objection with the Court in accordance with Section 5.20 of the Plan, the Court shall resolve the objection as a contested matter by applying the standard of review that would be applicable to an action proposed by a debtor over the objection of a general unsecured creditor under section 363(b) of the Bankruptcy Code or Bankruptcy Rule 9019, as applicable.

101. The Advisory Committee shall have standing to enforce the Plan to the same extent as an individual creditor, as well as standing to enforce the Advisory Committee's own rights under the Plan.

102. The Advisory Committee shall continue until such time as Allowed General Unsecured Claims have been paid 100% of their Allowed amounts plus interest at the Consensus Rate as provided in the Plan, and then shall be disbanded. In the event of a vacancy on the Advisory Committee, the other members of the Advisory Committee may appoint a replacement member reasonably acceptable to the Wind Down Board by written notice to the Court.

H. Substantive Consolidation

103. In accordance with sections 1123(a)(5)(c) and 105 of the Bankruptcy Code, the Consolidated Debtors are hereby substantively consolidated. Except as otherwise provided in the Plan, as a result of the substantive consolidation of the Estates of the Consolidated Debtors: (a) all property of the Consolidated Debtors shall vest in, and constitute the property of, the Consolidated Wind Down Trust, free and clear of any and all Liens, charges or other encumbrances or interests, pursuant to Section 5.13 of the Plan; (b) all guarantees of any Consolidated Debtor of the payment, performance or collection of obligations of another Consolidated Debtor shall be eliminated and cancelled; (c) all joint obligations of two or more Consolidated Debtors and multiple Claims against such Entities on account of such joint obligations shall be treated and allowed as a single Claim against the Consolidated Wind Down Trust; (d) all Cancelled Intercompany Claims shall be deemed cancelled; and (e) each Claim filed or scheduled in the Chapter 11 Case of any Consolidated Debtor shall be deemed filed against the Consolidated Debtors and a single obligation of the Consolidated Wind Down Trust.

104. Except as otherwise provided herein, the substantive consolidation shall not: (i) affect the separate legal existence of the Consolidated Debtors for purposes other than implementation of the Plan pursuant to its terms; (ii) constitute or give rise to any defense, counterclaim or right of netting or setoff with respect to any Cause of Action vesting in the

Consolidated Wind Down Trust that could not have been asserted against the Consolidated Debtors; or (iii) give rise to any right under, any executory contract, insurance contract or other contract to which a Consolidated Debtor is party, except to the extent required by section 365 of the Bankruptcy Code in connection with the assumption of such contract by the applicable Debtors.

I. Customer Preference Settlement

105. The Customer Preference Settlement as described in Section 5.5 of the Plan is approved under sections 363 and 1123 of the Bankruptcy Code and Bankruptcy Rule 9019. Based upon the evidence introduced at the Confirmation Hearing and the full record of these Chapter 11 Cases, this Confirmation Order constitutes the Court's approval of the Customer Preference Settlement because the Customer Preference Settlement benefits the Debtors and its stakeholders by, among other things: (i) eliminating the need for the Debtors to pursue uneconomic and time consuming preference litigation; and (ii) reducing the Debtors' administrative costs in having to reconcile claim amounts for accepting customers. The Customer Preference Settlement is fair, equitable and reasonable and is in the best interests of the Debtors, customers, other creditors and stakeholders and is hereby approved with the Excluded Customer Preference Actions preserved.

J. Plan Assets

106. As provided in the Plan, on the Effective Date, the Plan Assets shall be deemed irrevocably transferred and assigned to and automatically vested in the Wind Down Entities for the benefit of Holders of Claims, free and clear of all Liens, Claims, charges or other encumbrances or interests to the extent permitted by sections 363 and 1141 of the Bankruptcy Code. Subject to the terms of the Plan, the Wind Down Entities will hold and administer Plan

Assets, which include, among other things, (i) all retained Causes of Action; (ii) the Dotcom Customer Priority Assets; (iii) the U.S. Customer Priority Assets and (iv) the General Pool.

107. Any transfers of property pursuant to the Plan, including the transfer of Plan Assets to the Wind Down Entities, shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar Tax, pursuant to section 1146(a) of the Bankruptcy Code. Upon delivery of the Plan Assets to the Wind Down Entities, the Debtors and its predecessors, successors and assigns, and each of the other Released Parties shall be discharged and released from all liability with respect to the delivery of such distributions. Upon the transfer of the Plan Assets and pursuant to the Liquidating Trust Agreement, the Debtors will have no reversionary or further interest in or with respect to the Plan Assets.

K. Section 1145 Exemption from Registration Under the Securities Act

108. The solicitation of acceptances and rejections of the Plan was exempt from the registration requirements of the Securities Act and applicable state securities laws, and no other non-bankruptcy law applies to the solicitation.

109. The FTX Recovery Trust Interests created pursuant to the FTX Recovery Trust Agreement and the Plan shall not be considered “securities” and shall not be subject to the registration requirements of section 5 of the Securities Act or any applicable state or local laws requiring registration of securities.

L. Determination of Tax Liability

110. The Debtors and the Wind Down Entities are authorized to request an expedited determination of taxes under section 505 of the Bankruptcy Code for any or all returns filed for, or on behalf of, the Debtors or the Wind Down Entities for any and all taxable periods ending on or before the Effective Date. The Wind Down Board may also request an expedited determination of Taxes of the Consolidated Wind Down Trust or any Wind Down Reserve under

section 505 of the Bankruptcy Code for all Tax Returns filed for, or on behalf of, the Consolidated Wind Down Trust or any Wind Down Reserve for all taxable periods through the dissolution of the Consolidated Wind Down Trust.

M. References to Plan Provisions

111. The failure specifically to include or to refer to any particular article, section or provision of the Plan, any Plan Document or any related document or agreement in this Confirmation Order shall not diminish or impair the effectiveness of such article, section or provision nor constitute a waiver thereof, it being the intent of the Court that the Plan be confirmed in its entirety, the Plan Documents be approved in their entirety, and all be incorporated herein by this reference.

N. Immediate Binding Effect

112. Notwithstanding Bankruptcy Rules 3020(e), 6004(h) or 7062 or otherwise, upon the occurrence of the Effective Date, the terms of the Plan and the Plan Documents shall be immediately effective and enforceable and deemed binding upon the Debtors and the Wind Down Entities, the Estates, any and all Holders of Claims and Interests (irrespective of whether such Holders have accepted, deemed to have accepted, rejected, or deemed to have rejected the Plan), all Entities that are parties to or are subject to the settlements, compromises, releases, discharges, and injunctions described in the Plan, each Entity acquiring property under the Plan, and any and all non-Debtor parties to Executory Contracts and Unexpired Leases with the Debtors. The Plan and the Plan Documents constitute legal, valid, binding, and authorized obligations of the respective parties thereto and shall be enforceable in accordance with their terms. Pursuant to section 1142(a) of the Bankruptcy Code, the Plan, the Plan Documents, and this Confirmation Order shall apply and be enforceable notwithstanding any otherwise applicable nonbankruptcy law. This Confirmation Order shall take effect immediately and shall not be

stayed pursuant to Bankruptcy Rules 3020(e), 6004(h), 7062, or any stay of enforcement otherwise applicable to the Plan.

O. Cancellation of Existing Notes, Instruments, Certificates and Other Documents

113. On the Effective Date, except as otherwise specifically provided for in the Plan, all rights of any Holder of Interests in the Debtors, including options or warrants to purchase Interests, or obligating the Debtors to issue, transfer or sell Interests of the Debtors, shall be cancelled. On the Effective Date, except as otherwise provided in the Plan, the obligations of the Debtors under any certificate, share, bond, purchase right, option, warrant, or other instrument or document, directly or indirectly, evidencing or creating any indebtedness or obligation of the Debtors giving rise to any Claim or Interest shall be cancelled, without any need for a Holder to take further action with respect thereto, and the Debtors and the Wind Down Entities shall not have any continuing obligations thereunder.

P. Provisions Governing Distributions

114. The Debtors and the Wind Down Entities are authorized to enter into agreements with Distribution Agents and remit any payments in connection therewith, if any, and any amendments thereto shall not require further Court approval.

115. All Distributions pursuant to the Plan shall be made in accordance with Articles 4, 5 and 7 of the Plan. Except as otherwise set forth in the Plan, the Plan Administrator may utilize Distribution Agents, who then shall, at the direction of the Wind Down Entities, make all Distributions required under Articles 4 and 5 of the Plan.

Q. Treatment of Executory Contracts and Unexpired Leases

116. The assumption of the Executory Contracts and Unexpired Leases listed in the Plan Supplement and the rejection of all other Executory Contracts and Unexpired Leases pursuant to the provisions of Article 6 of the Plan are hereby approved.

R. Insurance Policies

117. Notwithstanding anything to the contrary in the Plan Documents, any bar date notice, any claim objection, any other document related to any of the foregoing or any other order of the Court (including, without limitation, any other provision that purports to be preemptory or supervening, grants an injunction, discharge or release, confers Court jurisdiction, or requires a party to opt out of any releases), as of the Effective Date, the Debtors shall be deemed to have assumed all of the Debtors' D&O Policies pursuant to sections 105 and 365(a) of the Bankruptcy Code. The Debtors' D&O Policies purchased on or after the Petition Date shall continue in force following the Effective Date subject to the terms and conditions of such D&O Policies. Coverage for defense and indemnity under any assumed or continued D&O Policies shall remain available within the definition of "Insured" in any of the D&O Policies subject to the terms and conditions of such D&O Policies. Entry of this Confirmation Order will constitute the Court's approval of the Debtors' foregoing assumption or continuation, as applicable, of each D&O Policy. Notwithstanding anything to the contrary contained in the Plan, and except as otherwise may be provided in an order of the Court, Confirmation of the Plan shall not discharge, impair or otherwise modify any obligations assumed by the foregoing assumption or continuation of the D&O Policies, and each such obligation will be deemed and treated as an Executory Contract that has been assumed by the Debtors under the Plan as to which no Proof of Claim need be filed. The D&O Policies (i) are prefunded and will not require any additional premiums on or after the Effective Date, (ii) provide coverage for those insureds currently covered by such policies for the remaining term of such policies and (iii) in the case of the D&O Policies purchased on or after the Petition Date, provide runoff or tail coverage after the Effective Date to the fullest extent permitted by such policies.

S. Release of Liens

118. Except as otherwise provided in this Confirmation Order, in the Plan or in any contract, instrument, release or other agreement or document created pursuant to the Plan or this Confirmation Order, on the Effective Date, all mortgages, deeds of trust, Liens, pledges or other security interests against any property of the Estates shall be fully released, settled, discharged and compromised, and all of the rights, titles and interests of any Holder of such mortgages, deeds of trust, Liens, pledges or other security interests shall revert to the Wind Down Entities and its successors and assigns, in each case, without further approval of the Court and without any action or filing being required to be made by the Debtors.

T. Releases, Exculpations, Injunction and Related Provisions

119. All release, injunction and exculpation provisions contained in the Plan, including, without limitation, those contained in Sections 10.3 through 10.9 of the Plan, are hereby approved and authorized and shall be effective and binding as if set forth herein on all persons and entities to the extent expressly described in the Plan.

120. Nothing in the Plan or this Confirmation Order shall affect any release granted under or approved by any prior order of the Court, all of which remain in full force and effect in accordance with their respective terms.

U. Subordinated Claims

121. The allowance, classification and treatment of all Allowed Claims and Allowed Interests and the respective Distributions and treatments under the Plan take into account, conform to, and satisfy the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal and equitable subordination rights relating thereto; *provided, however*, that the Debtors and the Wind Down Entities reserve the right to seek to reclassify or modify the treatment of any Allowed Claim or Interest in accordance with

any contractual, legal, or equitable subordination relating thereto, unless otherwise provided in a settlement agreement concerning such Allowed Claim or Interest.

V. Authority to Prosecute and Settle Actions

122. Subject to Section 5.17 of the Plan, after the Effective Date, each Cause of Action that is a Plan Asset shall be preserved and, along with the exclusive right to enforce such Cause of Action, shall vest exclusively in the Wind Down Entities. The Wind Down Board shall have the authority to prosecute, investigate, settle, liquidate, dispose of, and/or abandon the Plan Assets, including any rights, and any and all Causes of Action.

W. Professional Fee Claims

123. All final requests for payment of Professional Claims shall be filed and served no later than 60 days after the Effective Date, in accordance with the procedures established under the Plan. In accordance with the procedures established by the Bankruptcy Code and the Professional Fee Order, the Court shall determine the Allowed amounts of such Professional Claims after notice and a hearing.

124. On or prior to the Effective Date, The Debtors shall establish and fund the Professional Fee Escrow Account. The Professional Fee Escrow Account shall be maintained in trust solely for the Professionals. Except as provided in the last sentence of this paragraph, such funds shall not be considered property of the Wind Down Entities. The Plan Administrator shall pay Professional Claims in Cash no later than five Business Days after such Claims are Allowed by Final Order of the Court. When all Allowed Professional Claims have been paid in full, amounts remaining in the Professional Fee Escrow Account, if any, shall be allocated and distributed between the Dotcom Customer Priority Assets, the U.S. Customer Priority Assets and the General Pool pursuant to the Plan.

125. In accordance with Section 3.4.3 of the Plan, Professionals shall provide

good-faith estimates of their Professional Claims for purposes of the Professional Fee Escrow Account and shall deliver such estimates to the Debtors no later than seven days prior to the anticipated Effective Date; *provided* that such estimates shall not be considered an admission or limitation with respect to the fees and expenses of such Professionals. If a Professional does not provide such an estimate, the Debtors may estimate, in their reasonable discretion, the Professional Claims of such Professional. The total amount so estimated shall comprise the Professional Fee Reserve Amount. To the extent the Professional Fee Reserve Amount is not sufficient to pay all Allowed Professional Claims in full, the remaining aggregate amount of the Allowed Professional Claims shall be paid by the Wind Down Entities. Except as otherwise specifically provided in the Plan, upon the Confirmation Date, any requirement that Professionals comply with section 327, 328, 329, 330, 331 or 1103 of the Bankruptcy Code, any applicable retention order or the Professional Fee Order in seeking retention or compensation for services rendered after such date shall terminate.

X. Statutory Fees Payable Pursuant to 28 U.S.C. § 1930

126. All fees due and payable pursuant to 28 U.S.C. § 1930, together with interest, pursuant to 31 U.S.C. § 3717, due and owing prior to the Effective Date shall be paid by the Debtors on or before the Effective Date. The Debtors shall file all quarterly reports due prior to the Effective Date when they become due, in a form reasonably acceptable to the U.S. Trustee. On and after the Effective Date, the Wind Down Entities shall pay these fees when due and owing and prepare and file all necessary quarterly reports and other reports required by the Court.

Y. Priority Tax Claims

127. Subject to Section 8.3 of the Plan, except to the extent that the applicable Holder of an Allowed Priority Tax Claim has been paid by the Debtors before the Effective Date,

or such Holder agrees to less favorable treatment or is otherwise ordered by the Court by a separate order, each Holder of an Allowed Priority Tax Claim shall receive, on account of such Allowed Priority Tax Claim, the full value of their Claim in full in Cash on or as soon as reasonably practicable after the earliest of (i) the Initial Distribution Date; (ii) the date on which such Priority Tax Claim becomes Allowed; and (iii) such other date as may be ordered by the Court.

Z. Ad Hoc Committee Expenses

128. From and after the Confirmation Date, any outstanding and unpaid Ad Hoc Committee expenses (including but not limited to the fees owed by the Debtors in accordance with the Amended and Restated Rothschild Reimbursement Agreement, included in the Plan Supplement) shall be paid in full in Cash subject and pursuant to the procedures set forth in Section 3.4 of the Plan. Except as otherwise specifically provided in the Plan, from and after the Confirmation Date, the Plan Administrator, as the case may be, shall, in the ordinary course of business and without any further notice to or action, order or approval of the Court, pay in Cash the reasonable and documented legal, professional or other fees and expenses related to implementation and Consummation of the Plan incurred by the Ad Hoc Committee in accordance with the Wind Down Budget. The Debtors' payment of the Ad Hoc Committee expenses is authorized by and pursuant to sections 363(b), 364(b), 1123(b)(6) and 1129(a)(4) of the Bankruptcy Code and Bankruptcy Rule 9019.

AA. Filing Deadlines for Other Administrative Claims

129. Any Holder of an Administrative Claim who is not excepted, pursuant to Section 3.1 of the Plan, from the requirements to file and serve a request for payment of such Administrative Claim on or prior to the Administrative Claim Bar Date will be forever barred, estopped and enjoined from asserting such Administrative Claim against the Debtors or the Wind

Down Entities or their respective property and from participating in any Distribution in the Debtors' cases on account of such Administrative Claim. The Administrative Claim Bar Date shall be (a) 4:00 p.m. (Eastern Time) on the 30th day after the Confirmation Date for Administrative Claims that arose prior to the Confirmation Date, (b) 4:00 p.m. (Eastern Time) on the 30th day after the Effective Date for Administrative Claims that arose during the period from the Confirmation Date through the Effective Date or (c) such other date established by order of the Court by which requests for payment in respect of Other Administrative Claims must be filed.

BB. Section 1146 Exemption from Certain Transfer Taxes and Recording Fees

130. Pursuant to, and to the fullest extent permitted by, section 1146(a) of the Bankruptcy Code, any transfers from the Debtors to the Wind Down Entities or to any other Entity, pursuant to, in contemplation of, or in connection with the Plan (including any transfer pursuant to: (a) the Distribution, transfer or exchange of any debt, equity security or other interest in the Debtors; or (b) the making, delivery or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments or other instrument of transfer executed in connection with any transaction arising out of, contemplated by or in any way related to the Plan) shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, personal property transfer tax, sales or use tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and the appropriate state or local government officials or agents shall, and shall be directed to, forgo the collection of any such tax, recordation fee or government assessment and to accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee or government

assessment. The Bankruptcy Court shall retain specific jurisdiction with respect to these matters.

131. Each federal, state, commonwealth, local, foreign, or other governmental agency is directed and authorized to accept the validity of (a) any and all documents, trust agreements, mortgages, and instruments, and (b) all actions of the Debtors that are necessary or appropriate to effectuate, implement, or consummate the transactions contemplated by the Plan, this Confirmation Order, and the agreements created or contemplated by the Plan or this Confirmation Order, without payment of any recording tax, stamp tax, transfer tax, or similar tax imposed by state or local law.

CC. Retention of Jurisdiction

132. Notwithstanding the entry of this Confirmation Order and the occurrence of the Effective Date, the Court shall retain its existing jurisdiction over all matters arising out of, or related to, these Chapter 11 Cases and the Plan pursuant to sections 105(a) and 1142 of the Bankruptcy Code.

DD. Plan Documents

133. The Plan Documents are approved and, upon execution and delivery of the Plan Documents, including any amendments, supplements or modifications after the date of this Confirmation Order that are necessary or appropriate to implement the Plan and made in accordance with this Confirmation Order, by the applicable parties, such documents shall be in full force and effect and valid, binding and enforceable in accordance with their terms without the need for any further notice to or action, order or approval of the Court, or other act or action under applicable law, regulation, order or rule. The Debtors and, after the Effective Date, the Wind Down Entities, are authorized, without further approval of the Court or any other party, to execute and deliver all agreements, documents, instruments, securities and certificates relating to such agreements and perform their obligations thereunder, including paying all fees due

thereunder or in connection therewith.

EE. Effectiveness of All Actions

134. Except as set forth in the Plan, all actions authorized to be taken by the Plan or this Confirmation Order shall be effective on, prior to, or after the Effective Date pursuant to the terms of the Plan or this Confirmation Order (as applicable), without further application to, or order of, the Court.

FF. Authorization to Take Actions to Implement and Consummate the Plan

135. Pursuant to section 1142(b) of the Bankruptcy Code, the Debtors and the Wind Down Entities hereby are authorized and empowered to take all actions to execute, deliver, file or record such contracts, instruments, releases and other agreements or documents, and take such actions as may be necessary or appropriate to effectuate and implement the provisions of the Plan, the documents contained in the Plan Supplement, and any other Plan Documents, without the need for any approvals, authorizations, actions or consents except for those expressly required pursuant hereto, and all documents, instruments, securities and agreements authorized thereunder and related thereto and all annexes, exhibits and schedules appended thereto, and the obligations thereunder shall constitute legal, valid, binding and authorized obligations of each of the respective parties thereto, enforceable in accordance with their terms without the need for any stockholder or board of directors' approval.

136. This Confirmation Order shall constitute all approvals and consents required, if any, by the laws, rules and regulations of all states and any other governmental authority with respect to the implementation or consummation of the Plan, the Plan Supplement and any other Plan Documents, any amendments or modifications thereto and any other acts and transactions referred to in or contemplated by the Plan, the Plan Supplement, and any other Plan Documents and any amendments or modifications thereto.

GG. Intercompany Claims and Intercompany Interests

137. On and after the Effective Date, each Intercompany Claim and each Intercompany Interest shall be cancelled, released and discharged.

HH. Dissolution of the UCC

138. On the Effective Date, the Official Committee shall dissolve and the members thereof shall be released and discharged from all rights and duties arising from, or related to, the Chapter 11 Cases; *provided* that the Official Committee will stay in existence solely for the limited purpose of (a) applications filed pursuant to sections 330 and 331 of the Bankruptcy Code, (b) motions, litigation or appeals seeking enforcement of the provisions of the Plan or under the Confirmation Order, and (c) motions, litigation or appeals pending on the Effective Date in which the Official Committee is a party; *provided*, further, that, with respect to pending appeals and related proceedings, the Official Committee shall continue to comply with sections 327, 328, 329, 330, 331 and 1103 of the Bankruptcy Code and the Professional Fee Order in seeking compensation for services rendered.

II. Modifications or Amendments

139. Entry of this Confirmation Order shall mean that all modifications and amendments to the Plan since the solicitation thereof are approved pursuant to section 1127(a) of the Bankruptcy Code, and do not require additional disclosure or re-solicitation under Bankruptcy Rule 3019. After the Confirmation Date, but before the Effective Date, the Debtors may make appropriate technical adjustments and modifications to the Plan, including the Plan Supplement, without further order or approval of the Bankruptcy Court; *provided*, that such adjustments and modifications do not materially and adversely affect the treatment of Holders of Claims or Interests and are otherwise permitted under section 1127(b) of the Bankruptcy Code; *provided, further*, that, to the extent any proposed documents would adversely affect the amount

or timing of Distributions or the rights or powers of the Plan Administrator, the Advisory Committee, or the Appointed Director, such documents shall also be in form and substance reasonably acceptable to the Supporting Parties. After the Confirmation Date and before substantial consummation of the Plan, the Debtors may institute proceedings in the Bankruptcy Court pursuant to section 1127(b) of the Bankruptcy Code to remedy any defect or omission or reconcile any inconsistencies in the Plan, including the Plan Supplement, the Disclosure Statement, or the Confirmation Order, relating to such matters as may be necessary to carry out the purposes and effects of the Plan.

JJ. Effect of Conflict between Plan and Confirmation Order

140. In the event of any direct conflict between the terms of the Plan or any of the Plan Documents and the terms of this Confirmation Order, the terms of this Confirmation Order shall control.

KK. Notice of Entry of Confirmation Order and Occurrence of Effective Date

141. In accordance with Bankruptcy Rules 2002(f)(7), 2002(k) and 3020(c), within fifteen (15) Business Days following the occurrence of the Effective Date, the Debtors shall serve notice of entry of this Confirmation Order and occurrence of the Effective Date on all parties served with the Confirmation Hearing Notice in substantially the form of the notice annexed hereto as Exhibit B, which form is hereby approved, to be delivered to such parties by first-class mail, postage prepaid, or by electronic mail as authorized in the Solicitation Procedures Order; *provided* that no notice or service of any kind shall be required to be mailed or made upon any Entity to whom the Debtors served the notice of the Confirmation Hearing, but received such notice returned marked “undeliverable as addressed,” “moved, left no forwarding address” or “forwarding order expired,” or similar reason and the Debtors have made a reasonable effort to ascertain an alternative mailing address, unless the Debtors have been

informed in writing by such Entity, or is otherwise aware, of that Entity's new address; *provided*, further that the Debtors may, within their reasonable discretion, determine to serve separate notices of entry of this Confirmation Order and occurrence of the Effective Date on the parties and in the manner described above, each of such separate notices to be, in relevant part, in substantially the form of the notice annexed hereto as Exhibit B.

142. Mailing of the notice of entry of this Confirmation Order in the time and manner set forth in the previous paragraph shall be good and sufficient notice under the particular circumstances in accordance with the requirements of Bankruptcy Rules 2002 and 3020(c), and no further notice shall be necessary.

LL. Injunctions and Automatic Stay

143. Unless otherwise provided in the Plan or in this Confirmation Order, any injunction or stay arising under or entered during these Chapter 11 Cases under section 105 or 362 of the Bankruptcy Code or otherwise that is in existence on the Confirmation Date (excluding any injunctions or stays contained in the Plan or this Confirmation Order) shall remain in full force and effect until the later of the Effective Date and the date indicated in the order providing for such injunction or stay. All injunctions or stays contained in the Plan or this Confirmation Order shall remain in full force and effect in accordance with their terms.

144. This Confirmation Order shall permanently enjoin the commencement or prosecution by any Person, whether directly, derivatively or otherwise, of any Claims, Interests, Causes of Action, obligations, setoffs, suits, judgments, damages, demands, debts, rights or liabilities released, compromised, or discharged pursuant to the Plan.

MM. Nonseverability of Plan Provisions upon Confirmation

145. Each term and provision of the Plan, as it may have been altered or interpreted herein, is: (a) valid and enforceable pursuant to its terms; (b) integral to the Plan and

may not be deleted or modified except in accordance with Article 11 of the Plan; and

(c) nonseverable and mutually dependent, *provided, however*, the Customer Preference Settlement offered through the Plan is severable.

NN. Authorization to Consummate

146. The Debtors are authorized to consummate the Plan on any Business Day selected by the Debtors after the entry of this Confirmation Order, subject to satisfaction or waiver of the conditions (by the required parties) to the Effective Date set forth in Section 9.1 of the Plan. The Plan shall not become effective unless and until the conditions set forth in Section 9.1 of the Plan have been satisfied or waived (by the required parties) pursuant thereto.

OO. Filing and Recording

147. This Confirmation Order is and shall be binding upon and shall govern the acts of all persons or entities including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required, by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any document or instrument. Each and every federal, state, and local government agency is hereby directed to accept any and all documents and instruments necessary, useful, or appropriate (including financing statements under the applicable uniform commercial code) to effectuate, implement, and consummate the transactions contemplated by the Plan and this Confirmation Order without payment of any stamp tax or similar tax imposed by state or local law.

PP. Tax Withholding and Identification

148. In connection with the Plan, to the extent applicable, the Debtors, the Plan Administrator and the Distribution Agent shall comply with all tax withholding and reporting

requirements imposed on them by any tax law, and all Distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Debtors, the Plan Administrator and the Distribution Agent shall be authorized to take all actions reasonably necessary or appropriate to comply with such withholding and reporting requirements, including withholding in kind, liquidating a portion of the Distributions to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding Distributions pending receipt of information necessary to facilitate such Distributions or establishing any other mechanisms that are reasonable and appropriate. For purposes of the Plan, any withheld amount (or property) shall be treated as if paid to the applicable Holder. The Plan Administrator reserves the right to allocate all Distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support and other spousal awards, liens and encumbrances. Distributions in full or partial satisfaction of Allowed Claims shall be allocated first to trust fund-type taxes, then to other taxes and then to the principal amount of Allowed Claims, with any excess allocated to unpaid interest that has accrued on such Claims.

149. Any Holder entitled to receive any Distribution under the Plan shall, upon request, deliver to the Distribution Agent or such other Entity designated by the Plan Administrator Pre-Distribution Requirements, including a completed IRS Form W-9 or appropriate IRS Form W-8. If a request for Pre-Distribution Requirements has not been satisfied within 30 days thereafter, a second request shall be sent to such Holder. If the Holder fails to comply with the Pre-Distribution Requirements before the date that is 60 days after a second request is made, such Holder shall be deemed to have forfeited its right to receive Distributions, and shall be forever barred and enjoined from asserting any right to Distributions made prior to

the Plan Administrator receiving its executed Pre-Distribution Requirements. Any Distributions that are forfeited pursuant to this provision shall revert in the Consolidated Wind Down Trust as Plan Assets.

150. Notwithstanding the foregoing, each holder of an Allowed Claim or any other Entity that receives a distribution pursuant to the Plan shall have responsibility for any Taxes imposed by any Governmental Unit, including income, withholding, and other Taxes, on account of such distribution. Any party issuing any instrument or making any distribution pursuant to the Plan has the right, but not the obligation, not to make a distribution until such holder has made arrangements satisfactory to such issuing or disbursing party for payment of any such Tax obligations and, if any party issuing any instrument or making any distribution under the Plan fails to withhold with respect to any such holder's distribution, and is later held liable for the amount of such withholding, the holder shall reimburse such party.

QQ. Substantial Consummation

151. On the Effective Date, the Plan shall be deemed substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

RR. Debtors' Actions Post-Confirmation Through the Effective Date

152. During the period from entry of this Confirmation Order through and until the Effective Date, the Debtors shall continue to operate their businesses as debtors-in-possession in the ordinary course in a manner consistent with past practice in all material respects, and as otherwise necessary to consummate the Plan, subject to all applicable Final Orders, the Plan and any other Plan Documents.

SS. Governmental Units

153. Nothing in the Plan or the Confirmation Order shall affect the obligations of the pre-Effective Date Debtors, the post-Effective Date Debtors, the Wind Down Entities,

and/or any transferee or custodian under applicable law to maintain books and records that are subject to any governmental subpoena, document preservation letter, or other inquiry or investigative request from a governmental agency. The Debtors and the Liquidating Trust, as applicable, shall preserve and maintain the Debtors' books, records, documents, files, electronic data (in whatever format, including native format) and tangible objects, wherever stored (the "Debtor's Records"), and shall not destroy, abandon, or otherwise render them unavailable without providing at least sixty (60) days' advance written notice filed on the Bankruptcy Court's docket and served in accordance with Bankruptcy Rule 2002.

154. Notwithstanding any language to the contrary contained in the Plan or the Confirmation Order, nothing in the Plan or the Confirmation Order constitutes a finding under the federal securities laws as to whether crypto assets or transactions involving crypto assets are securities. Notwithstanding the foregoing or anything to the contrary in the Plan, Confirmation Order, or Plan Supplement, beneficial interests in the Consolidated Wind Down Trust will not be certificated and may not be transferred, sold, pledged or otherwise disposed of, or offered for sale. The Consolidated Wind Down Trust will operate in compliance with federal and state securities laws and SEC staff guidance, including those regarding liquidating trusts, if applicable.

155. Notwithstanding anything to the contrary contained in the Plan or the Confirmation Order, as to the United States of America (the "United States"), nothing in the Plan or the Confirmation Order: (i) shall grant any relief to any entity that the court is prohibited from granting by the Declaratory Judgment Act, 28 U.S.C. 2201(a), or the Anti-Injunction Act, 26 U.S.C. 7421(a) or (ii) shall expand the scope of the release or injunction to which the Debtors are entitled to under the Bankruptcy Code; *provided however*, for the avoidance of doubt, the Debtors shall not be released or discharged of any liabilities arising under subchapter III of

Chapter 37 of Title 31 of the United States code (the “False Claims Act”) or any criminal or federal tax laws (except as separately agreed with the United States). The exculpation, release and injunction provisions contained in the Plan and the Confirmation Order are not intended, and shall not be construed, to bar the United States or other Governmental Unit (as defined in section 101(27) of the Bankruptcy Code) from, subsequent to entry of the Confirmation Order, exercising any criminal, police and or regulatory powers that would not be stayed pursuant to section 362 of the Bankruptcy Code. Notwithstanding the foregoing, the automatic stay of section 362 of the Bankruptcy Code shall no longer apply after the Effective Date of the Plan.

156. Nothing in the Confirmation Order or the Plan shall release any non-Debtor parties from any liability to any Governmental Unit, including the United States, including but not limited to, any liabilities arising under the Internal Revenue Code, the environmental laws, the False Claims Act or any criminal laws, nor shall anything in the Confirmation Order or the Plan enjoin the United States from bringing any such claim, suit, action or other proceeding against non-Debtor parties, in each case except as separately and expressly agreed in writing by the United States.

157. As to any Governmental Unit in the United States, except as separately and expressly agreed in writing with such Governmental Unit (including, without limitation, the settlement authorized by the Court’s June 20, 2024 order (D.I. 18036) and the settlement authorized by the Court’s August 5, 2024 order (D.I. 22283)), nothing in the Plan, the Confirmation Order, any Plan Supplement, the Definitive Documents, or other related documents shall:

1. discharge, release, exculpate, enjoin, bar, impair or otherwise preclude or affect (a) any obligation or liability to any Governmental Unit that is not a “claim” within the meaning of section 101(5) of the Bankruptcy Code, (b) any Claim of any

Governmental Unit arising after the Effective Date, (c) any obligation or liability of any of the Debtors or the Wind Down Entities accruing after the Effective Date under police or regulatory statutes or regulations to any Governmental Unit as the owner, lessor, lessee, licensee, or operator of property or rights to property that such entity owns, operates, licenses, or leases after the Effective Date, (d) any right, defense, suit or cause of action of, or obligation or liability owed to, any Governmental Unit on behalf of any non-Debtor, or (e) any and all regulatory orders or non-monetary judgments issued to or against the Debtors prior to, during, or after the Effective Date;

2. release, exculpate, bar, enjoin, nullify, or preclude the enforcement of any Governmental Unit's criminal, police and regulatory powers, other than the enforcement of money judgment;
3. authorize the assumption, sale, assignment or other transfer of any federal or governmental (i) grants, (ii) grant funds, (iii) contracts, (iv) property, including but not limited to, intellectual property, data and patents, (v) leases, (vi) participation rights, (vii) agreements, (viii) applications, (ix) licenses, (x) permits, (xi) registrations, (xii) authorizations, (xiii) approvals, or (xiv) other interests of any Governmental Unit (collectively, "Governmental Interests"), without compliance with all terms of the Governmental Interests, as applicable, and with all applicable non-bankruptcy law;
4. be interpreted to set cure amounts or to require the United States or any Governmental Unit to novate, approve or otherwise consent to the assumption, sale, assignment or transfer of any Governmental Interests;
5. waive, alter or otherwise limit any Governmental Unit's property and other rights, including, but not limited to, an interest in the Debtors' accounts and cryptocurrency funds, whether now in existence or hereafter acquired, and all rights and interests of any Governmental Units, Debtors or Wind Down Entities are fully preserved;
6. confer exclusive jurisdiction to the Bankruptcy Court with respect to the Governmental Interests, claims, rights, defenses, obligations, liabilities, and causes of action, except to the extent set forth in 28 U.S.C. § 1334 (as limited by any other provisions of the United States Code);
7. affect any setoff or recoupment rights and defenses of any Governmental Units and such rights and defenses are preserved;

8. affect any adversary proceeding by the Committee or the Debtors against any Governmental Units or any related litigation or appeals; or
9. expand the scope of section 525 of the Bankruptcy Code.

158. For the avoidance of doubt, the States of Texas, New Jersey, Wisconsin, Mississippi, and Tennessee, and their respective agencies, opt out of any and all releases provided in the Plan.

159. Notwithstanding any terms herein (except as provided in paragraph 157 above) or in the Plan, the treatment of the proofs of claim of the States of Texas, New Jersey, Wisconsin, Mississippi, and Tennessee, and other states participating as “State Governmental Claims” as defined therein, shall be treated pursuant to the *Stipulation By and Between the Debtors and Certain State Governmental Units* filed at Docket No. 25287.

TT. FTX DM Global Settlement Agreement

160. To the extent that the FTX DM Global Settlement Agreement is in full force and effect as of the Effective Date, the FTX DM Global Settlement Agreement will be incorporated into the Plan.

UU. Other Reservations of Rights

161. For the avoidance of doubt, notwithstanding anything contained herein to the contrary, nothing in this Confirmation Order, the Plan or Plan Supplement (1) pertaining to substantive consolidation, the elements thereof, or the insolvency of any Debtor or consolidated Debtors is intended to or shall be deemed to affect any rights, obligations, claims, defenses, counterclaims or cross-claims of any party to the pending adversary proceeding, *Alameda Research Ltd. and Clifton Bay Investments LLC v. Kives et al.* (Adv. Pro. No. 23-50411 (JTD)) or (2) is intended to impact the parties’ rights or obligations in connection with agreements and investments that are related to that pending adversary proceeding.

162. Nothing in this Confirmation Order, the Plan, or any documents or agreements relating thereto, shall be deemed to alter, limit, enjoin, or modify (i) Philadelphia Indemnity Insurance Company's ("Philadelphia") and the Debtors' rights and defenses under the prepetition surety bonds issued by Philadelphia on behalf of certain Debtors (collectively, the "Surety Bonds"), the related indemnity agreements and/or collateral agreements (the "Surety Indemnity Agreements"), and/or in any collateral in respect of the Surety Indemnity Agreements and Surety Bonds (the "Surety Collateral") or (ii) Philadelphia's subrogation rights with respect to any claim by third parties and any claims against any of Philadelphia's non-Debtor indemnitors. For the avoidance of doubt, the Debtors are not assuming, and, to the extent subject to rejection pursuant to section 365 of the Bankruptcy Code, expressly rejecting pursuant to the Plan, the Surety Bonds and the Surety Indemnity Agreements. Without the requirement of any action by Philadelphia, Philadelphia is deemed to have opted out of the third-party release provisions of the Plan, and Philadelphia is not a Releasing Party under the Plan.

163. Notwithstanding anything in the Plan or Confirmation Order: (i) any administrative expense claims of Mississippi Department of Revenue (the "MDOR") shall be subject to, and treated in accordance with, Sections 3.2 and 3.3 of the Plan and the MDOR, the Debtors' and the Plan Administrator's rights are reserved with respect to such claims; (ii) the MDOR shall provide notice to the Plan Administrator of such administrative claims (it being understood that the MDOR shall not be required to file any proofs of claim or requests for payment in the Chapter 11 Cases for the liabilities described in section 503(b)(1)(B) and (C) of the Bankruptcy Code as a condition to having an allowed administrative expense under subsection 503(b)(1)(B) or (C) of the Bankruptcy Code); (ii) the MDOR may amend any proof of claim with respect to (a) a pending audit or audit that may be performed, (b) within 60 days following the

filing of a tax return or (c) to liquidate an unliquidated claim; provided that the Debtors or the Plan Administrator's rights are reserved with respect to such claim and any amendment; (iv) any Allowed Priority Tax Claims of the MDOR shall be subject to, and treated in accordance with, Section 4.3.1 of the Plan except to the extent that the such claims, if any, are not paid in full in cash on the Initial Distribution Date, in which case such claims shall, at a minimum, be paid by regular installment payments in cash over a period beginning from the Initial Distribution Date not to exceed five years after the date of the order for relief under section 301 of the Bankruptcy Code, all as required pursuant to section 1129(a)(9)(C) of the Bankruptcy Code, along with non-bankruptcy interest in accordance with sections 511 and 1129(a)(9)(C) of the Bankruptcy Code and Mississippi state law, as applicable; and (v) the treatment of the MDOR Allowed Priority Tax Claims and/or any liabilities to the MDOR described in section 503(b)(1)(B) and (C) of the Bankruptcy Code described herein shall not be considered a settlement or compromise.

164. Notwithstanding anything to the contrary in the Plan Documents, other than as explicitly provided for in the *Order (A) Authorizing the Debtors' Entry Into, and Performance Under, the Settlement Agreement With Kroll Restructuring Administration LLC, (B) Approving the Settlement Agreement, and (C) Granting Related Relief* [D.I. 24885] ("Kroll Settlement Order") nothing in the Plan or the Plan Documents shall release or exculpate Kroll Restructuring Administration LLC for claims relating to the Security Incident (as defined in the Kroll Settlement Order).

165. For the avoidance of doubt, notwithstanding anything to the contrary contained in the Plan or the Confirmation Order, the damages suffered by any Customer and recoverable in another proceeding are not capped or otherwise limited by the amount Distributed on account of Allowed Claims in the Chapter 11 Cases.

166. Notwithstanding anything to the contrary in the Plan, the Debtors shall not receive a discharge.

167. Notwithstanding anything to the contrary in the Confirmation Order or the Plan, proofs of claim numbers 91933 and 96369 (the “ELD Claims”) filed by ELD Capital LLC shall not be deemed settled pursuant to section 5.2 of the Plan, and shall not be deemed released under section 10.4 of the Plan and such claims shall be adjudicated through the claims objection process. The parties’ rights, defenses and objections with respect to the ELD Claims are fully reserved.

168. Distributions under the Plan shall not occur until after entry by the Bankruptcy Court of an order determining the amount of a Disputed Claims Reserve (the “Disputed Claims Reserve Amount”), which order shall be entered following a motion by the Debtors or the Plan Administrator, subject to notice and a hearing. All parties’ rights are reserved as to the Disputed Claims Reserve Amount.

VV. Interpretation

169. Notwithstanding any other provision of the Plan, the Plan Supplement, or this Confirmation Order, any bona fide, good faith dispute regarding the interpretation of an ambiguity in the Plan or the Plan Supplement in accordance with Section 2.2 of the Plan shall be resolved by the Court.

WW. Final Order

170. This Confirmation Order is intended to be a final order and the period in which an appeal must be filed shall commence upon the entry hereof.

Except as otherwise provided herein and subject in all respects to the classification and treatment of Claims and Interests set forth in Article 4, as a result of the substantive consolidation of the Estates of the Consolidated Debtors: (a) all property of the Consolidated Debtors shall vest in, and constitute the property of, the Consolidated Wind Down Trust, free and clear of any and all Liens, charges or other encumbrances or interests, pursuant to Section 5.13; (b) all guarantees of any Consolidated Debtor of the payment, performance or

collection of obligations of another Consolidated Debtor shall be eliminated and cancelled; (c) all joint obligations of two or more Consolidated Debtors and multiple Claims against such Entities on account of such joint obligations shall be treated and allowed as a single Claim against the Consolidated Wind Down Trust; (d) all Cancelled Intercompany Claims shall be deemed cancelled; and (e) each Claim filed or scheduled in the Chapter 11 Case of any Consolidated Debtor shall be deemed filed against the Consolidated Debtors and a single obligation of the Consolidated Wind Down Trust.

Except as otherwise provided herein, the substantive consolidation set forth in this Section 5.7 shall not: (i) affect the separate legal existence of the Consolidated Debtors for purposes other than implementation of the Plan pursuant to its terms; (ii) constitute or give rise to any defense, counterclaim or right of netting or setoff with respect to any Cause of Action vesting in the Consolidated Wind Down Trust that could not have been asserted against the Consolidated Debtors; or (iii) give rise to any right under, any executory contract, insurance contract or other contract to which a Consolidated Debtor is party, except to the extent required by section 365 of the Bankruptcy Code in connection with the assumption of such contract by the applicable Debtors.

5.8. Wind Down Entities

The purpose of the Wind Down Entities is to engage in business after the Effective Date for so long as may be necessary to monetize the Plan Assets and pay Distributions, in each case as promptly as reasonably practicable. The Wind Down Entities shall manage and hold Plan Assets for sale; sell Plan Assets; administer, and close as necessary, the Chapter 11 Cases; administer, reconcile, resolve and settle claims; and liquidate the Debtors and their non-Debtor subsidiaries pursuant to the terms of the Plan Supplement. The Plan Administrator shall be vested with all other powers and authority set forth in the Plan and the Plan Administration Agreement, shall be deemed to have been appointed as the Debtors' Estates' representative pursuant to section 1123(b)(3)(B) of the Bankruptcy Code, and shall have the duties of a trustee set forth in sections 704(a)(1), 704(a)(2) and 704(a)(5) of the Bankruptcy Code.

The Wind Down Entities are intended to qualify as "liquidating trusts" for U.S. federal income tax purposes. The IRS, in Revenue Procedure 94-45, 1994-2 C.B. 684, set forth the general criteria for obtaining an IRS ruling as to the grantor trust status of a liquidating trust under a chapter 11 plan. The Wind Down Entities are intended to be structured to comply with such general criteria. In conformity with Revenue Procedure 94-45, all parties (including, without limitation, the Debtors, the Wind Down Entities, the Plan Administrator, and Holders of Allowed Claims) shall treat, for U.S. federal income tax purposes, the Wind Down Entities as a grantor trust of which the Holders of Allowed Claims against the Wind Down Entities are the owners and grantors. Taxable income, gain and losses of the Wind Down Entities shall be allocated among the deemed beneficiaries of such Wind Down Entities. For all U.S. federal income tax purposes, all parties (including, without limitation, the Debtors, the Wind Down Entities, the Plan Administrator, and all Holders of Allowed Claims) shall treat the transfer of the Plan Assets to the Wind Down Entities in accordance with the terms of the Plan; such transfer is treated as a deemed transfer to the Holders of Allowed Claims, followed by a deemed transfer by such Holders to the Wind Down Entities. The Plan Administrator shall make a good faith

valuation of Plan Assets as soon as it becomes relevant for tax reporting purposes. All parties (including, without limitation, the Debtors, the Wind Down Entities, the Plan Administrator, and all Holders of Allowed Claims) shall use consistent valuation of the Plan Assets for all U.S. federal income tax purposes.

5.9. Plan Funding Mechanism

Distributions under the Plan shall be funded from (a) Cash on hand, (b) Available NFTs, (c) Wind Down Cash Proceeds, and (d) any other Plan Assets, except as expressly set forth herein.

5.10. Dissolution of Boards of the Debtors

As of the Effective Date, the term of the current members of the board of directors, board of managers, or other substantially equivalent governing body of each the Debtors shall expire automatically and each person serving as a director or manager of a Debtor shall be removed and shall be deemed to have resigned and cease to serve automatically without any further action required on the part of the Debtors, the Debtors' officers or shareholders. As of the Effective Date, the Wind Down Board shall manage the Wind Down Entities.

5.11. The Wind Down Board

The initial Wind Down Board shall consist of the Plan Administrator, Brian C. Simms, KC, and Peter Greaves in their capacity as the Bahamas JOLs, the incumbent members of the Debtors' board and one additional director to be identified in the Plan Supplement (the "Appointed Director"). The Appointed Director shall be jointly designated by the Ad Hoc Committee and the Official Committee, and be acceptable to the Debtors and the Bahamas JOLs. The Appointed Director shall also be a member of the Advisory Committee described in Section 5.20 and shall cease to serve as a member of the Wind Down Board when the Advisory Committee is disbanded.

The Wind Down Board shall manage the Consolidated Wind Down Trust and have the responsibility to review and advise the Plan Administrator with respect to the liquidation and Distribution of the Plan Assets. In advising the Plan Administrator, the Wind Down Board, including the Appointed Director, shall maintain the same fiduciary responsibilities as the Plan Administrator.

In the event of a vacancy on the Wind Down Board, a majority of the Wind Down Board may appoint a replacement subject to the constitutive documents for the Consolidated Wind Down Trust as in effect from time to time; *provided* that any replacement for the Appointed Director shall first be designated by the Advisory Committee from among its members.

5.12. Plan Administrator and Plan Administration Agreement

The Plan Administrator shall administer the Wind Down Entities after the Effective Date in accordance with the Plan Administration Agreement. The appointment of the Plan Administrator and execution, delivery and performance of the Plan Administration

Agreement by the Wind Down Entities shall be approved by the Bankruptcy Court in the Confirmation Order. The Plan Administrator shall be a fiduciary of the Wind Down Entities and shall be compensated and reimbursed for expenses as set forth in the Plan Administration Agreement. The Plan Administration Agreement shall provide for the exculpation and indemnification of the Plan Administrator, the Wind Down Board and their professionals, representatives and related persons with respect to all Causes of Action arising out of or relating to any act taken, or omission made, in connection with the affairs of the Wind Down Entities, except to the extent an act or omission is determined by a Final Order to have constituted gross negligence or willful misconduct.

5.13. Vesting of Assets Free and Clear and No Successor Liability

Except as otherwise expressly provided in the Plan or the Confirmation Order, as of the Effective Date, all Plan Assets irrevocably shall be transferred and assigned to and automatically vested in the Wind Down Entities, for the benefit of Holders of Claims, free and clear of all Liens, Claims, charges or other encumbrances or interests to the extent permitted by section 363 of the Bankruptcy Code. All property held for Distribution pursuant to the Plan shall be held in trust for the benefit of the Holders of Allowed Claims and Interests and to pay the expenses of the administration of the Wind Down Entities. Upon the vesting of the Plan Assets in the Wind Down Entities, no Debtor, Consolidated Debtor or any Person or Entity holding a Claim or Interest shall (a) have an interest in, or any right with respect to, any Plan Asset except as provided by the Plan or (b) take, without the written consent of the Plan Administrator or order of the Court, any action with respect to a Wind Down Entity or a Plan Asset if such action would not have been permitted to be taken by such Person or Entity with respect to a Debtor or its property under section 362 of the Bankruptcy Code.

Except as otherwise expressly provided in the Plan or the Confirmation Order, as of the Effective Date, each of the Wind Down Entities (i) shall not, and shall not be deemed to assume, agree to perform, pay or otherwise have any responsibilities for any liabilities or obligations of the Debtors or any other Person relating to or arising of any event or occurrence taking place on or before the Effective Date, (ii) is not, and shall not be, a successor to the Debtors by reason of any theory of law or equity or responsible for the knowledge or conduct of any Debtor prior to the Effective Date, and (iii) shall not have any successor or transferee liability of any kind or character.

5.14. D&O Policies

As of the Effective Date, the Debtors shall be deemed to have assumed all of the Debtors' D&O Policies pursuant to sections 105 and 365(a) of the Bankruptcy Code. The Debtors' D&O Policies purchased on or after the Petition Date shall continue in force following the Effective Date subject to the terms and conditions of such D&O Policies. Coverage for defense and indemnity under any assumed or continued D&O Policies shall remain available within the definition of "Insured" in any of the D&O Policies subject to the terms and conditions of such D&O Policies. Entry of the Confirmation Order will constitute the Bankruptcy Court's approval of the Debtors' foregoing assumption or continuation, as applicable, of each D&O Policy. Notwithstanding anything to the contrary contained in the Plan, and except as otherwise may be provided in an order of the Bankruptcy Court, Confirmation of the Plan shall not

discharge, impair or otherwise modify any obligations assumed by the foregoing assumption or continuation of the D&O Policies, and each such obligation will be deemed and treated as an Executory Contract that has been assumed by the Debtors under the Plan as to which no Proof of Claim need be filed. The D&O Policies (i) are prefunded and will not require any additional premiums on or after the Effective Date, (ii) provide coverage for those insureds currently covered by such policies for the remaining term of such policies and (iii) in the case of the D&O Policies purchased on or after the Petition Date, provide runoff or tail coverage after the Effective Date to the fullest extent permitted by such policies.

5.15. Cancellation of Existing Interests

On the Effective Date, except as otherwise specifically provided for in the Plan or any agreement, instrument or other document incorporated into the Plan, the obligations of the Debtors under any Certificate, Interest (other than any Interest in FTX Bahamas PropCo.), share, note, purchase right, option, warrant, intercreditor agreement, guaranty, indemnity or other instrument or document directly or indirectly evidencing or creating any indebtedness or obligation of or ownership interest in the Debtors or giving rise to any Claim or Interest, shall be cancelled solely as to the Debtors, and the Debtors shall not have any continuing obligations thereunder and shall be released therefrom.

5.16. Section 1146 Exemption from Certain Transfer Taxes and Recording Fees

Pursuant to, and to the fullest extent permitted by, section 1146(a) of the Bankruptcy Code, any transfers from the Debtors to the Wind Down Entities or to any other Person pursuant to, in contemplation of, or in connection with the Plan (including any transfer pursuant to: (a) the Distribution, transfer or exchange of any debt, equity security or other interest in the Debtors; or (b) the making, delivery or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments or other instrument of transfer executed in connection with any transaction arising out of, contemplated by or in any way related to the Plan) shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, sales and use tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee or other similar tax or governmental assessment, and the appropriate state or local government officials or agents shall, and shall be directed to, forgo the collection of any such tax, recordation fee or government assessment and to accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee or government assessment. The Bankruptcy Court shall retain specific jurisdiction with respect to these matters.

5.17. Preservation of Causes of Action

Except as otherwise provided in Article 10 or the other provisions of the Plan, each Cause of Action that is a Plan Asset shall be preserved and, along with the exclusive right to enforce such Cause of Action, shall vest exclusively in the Wind Down Entities as of the Effective Date. For avoidance of doubt, any and all DM-Controlled Recovery Actions shall vest solely in FTX DM and shall not vest in the Wind Down Entities. Any such Cause of Action against any Customer of the FTX.com Exchange or any of such Customer's successors or

assigns shall constitute a Dotcom Customer Priority Asset, and any such Cause of Action against any customer of the FTX.US Exchange shall constitute a U.S. Customer Priority Asset. Unless a Cause of Action is expressly waived, relinquished, released or compromised in the Plan or an order of the Bankruptcy Court, the Plan Administrator expressly reserves such Cause of Action for later adjudication and, accordingly, no doctrine of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise), laches or other preclusion doctrine shall apply to such Cause of Action as a consequence of Confirmation, the Plan, the vesting of such Cause of Action in the Wind Down Entities, any order of the Bankruptcy Court or these Chapter 11 Cases. No Person may rely on the absence of a specific reference in the Plan or the Disclosure Statement to any Cause of Action against them or in which they asserted any interest as an indication that the Debtors or the Plan Administrator, as applicable, will not pursue such Cause of Action.

5.18. Effectuating Documents and Further Transactions

The Debtors or the Plan Administrator, as applicable, may take all actions to execute, deliver, file or record such contracts, instruments, releases and other agreements or documents, and take such actions as may be necessary or appropriate to effectuate and implement the provisions of the Plan. The secretary, any assistant secretary or any other appropriate officer of each Debtor shall be authorized to certify or attest to any of the foregoing actions.

From and after the Confirmation Date but prior to, on or after the Effective Date (as appropriate), all matters provided for pursuant to the Plan that would otherwise require approval of the shareholders, directors or members of the Debtors shall be deemed to have been so approved and shall be in effect prior to, on or after the Effective Date (as appropriate), pursuant to applicable law, and without any requirement of further action by the shareholders, directors, managers or partners of the Debtors, or the need for any approvals, authorizations, actions or consents.

5.19. Wind Down of Debtors, Wind Down Entities, Excluded Entities and Non-Debtor Subsidiaries

The Debtors and the Plan Administrator, as applicable, shall be vested with all powers and authority to (a) make equity contributions to Debtor and non-Debtor Affiliates with Plan Assets and (b) convert into equity any prepetition or postpetition Intercompany Claims held by any Debtor that is not cancelled, released or otherwise settled in full pursuant to the Plan, in each case, to effectuate or facilitate the wind down and dissolution of any Debtors, Wind Down Entities, Excluded Entities and non-Debtor subsidiaries either prior to, on or after the Effective Date.

The Debtors and the Plan Administrator shall be vested with all powers and authority to wind down and dissolve any Debtors, Wind Down Entities, Excluded Entities and non-Debtor subsidiaries on or after the Effective Date free and clear of all Liens, Claims, charges or other encumbrances or interests to the extent permitted by section 1141 of the Bankruptcy Code and without the need for any approvals, authorizations, actions or consents of the Court or otherwise, including any (i) any further corporate approval, including by the stockholders, board

of directors or other governing body of the applicable entity, to the extent such further approval may be required by applicable law, and to the extent such approval may be required by applicable law, such approval shall be deemed previously provided, or (ii) further actions to be taken by or on behalf of such entities or payments to be made in connection therewith, subject to the filing of a certificate of dissolution with the appropriate governmental authorities.

5.20. Creditor Advisory Committee

On the Effective Date, the Debtors shall establish an advisory committee (the “Advisory Committee”) consisting of the Appointed Director on the Wind Down Board and two other persons reasonably acceptable to the Debtors and the Bahamas JOLs, to be jointly designated by the Ad Hoc Committee and the Official Committee. The members of the Advisory Committee shall not be a current or former Holder of a Claim or Interest (unless otherwise agreed to by the Debtors, the Official Committee, and the Ad Hoc Committee) and shall be subject to the same confidentiality, independence and trading restrictions as members of the Wind Down Board. The members of the Advisory Committee shall have fiduciary duties to all creditors.

The Wind Down Board and the Plan Administrator shall consult with the Advisory Committee in good faith on all of its material decisions concerning the Wind Down Entities, the Plan Administrator and the Advisory Committee from time to time, including without limitation with respect to (i) reserves and the timing and amount of distributions, (ii) resolution or settlement of disputed unsecured claims, (iii) commencement, prosecution and settlement of litigation, (iv) disallowance of claims, (v) monetization of digital assets and venture investments, (vi) implementation of the Supplemental Remission Fund, (vii) modification of the Wind Down Budget and (viii) modification of the terms of employment or scope of authority of the Plan Administrator and any other officers of the Wind Down Entities, in each case of clauses (i) through (viii) subject to such parameters as may be agreed upon in good faith by the Wind Down Board, the Plan Administrator and the Advisory Committee from time to time. The members of the Advisory Committee other than the Appointed Director on the Wind-Down Board shall have the right to attend formal meetings of the Wind Down Board as non-voting observers (and receive all related board materials and reports), subject to such limitations as the Wind Down Board may set from time to time to address any actual or potential conflict of interest. The Appointed Director shall have the opportunity to consult with the other members of the Advisory Committee prior to voting on any actions in its capacity as a member of the Wind Down Board. Similarly, the Wind Down Board of Directors shall have the right to consult in executive session without the Advisory Committee members.

The members of the Advisory Committee shall receive reasonable and customary compensation, indemnification and exculpation. The Advisory Committee may retain and employ Delaware counsel, one additional law firm and one financial advisory firm to assist the Advisory Committee in the performance of its duties, with the reasonable and documented fees and expenses of these professionals to be borne or reimbursed by the Wind Down Entities. These professional firms shall be chosen by majority vote of the Advisory Committee and be acceptable to the Wind Down Board (such consent not to be unreasonably withheld).

If the Wind Down Board approves an action (i) that the Appointed Director has voted against in his or her capacity as a member of the Wind Down Board and (ii) to which a majority of the Advisory Committee (including the Appointed Director) also objects, the Appointed Director may send written notice explaining the basis for the Advisory Committee's objection to the Plan Administrator and the other members of the Wind Down Board within one business day of the vote of the Wind Down Board approving the proposed action (a "Notice of Objection"). Upon the Appointed Director's vote against a proposed action by the Wind Down Board, the Wind Down Entities shall refrain from taking the contested action unless a Notice of Objection is not timely provided; if a Notice of Objection is provided, the Wind Down Board shall not take the proposed action without either order of the Court or the expiration of a seven day waiting period. During this seven day waiting period, the Advisory Committee may file an objection to the proposed action with the Court, describing the basis therefor in reasonable detail. If no objection is filed with the Court within such seven day period, the Notice of Objection shall have no further effect, the Wind Down Entities may proceed with the proposed action and the Advisory Committee shall be deemed to have waived any right to challenge the proposed action.

If the Advisory Committee files a timely objection with the Court in accordance with the immediately preceding two paragraphs, the Court shall resolve the objection as a contested matter by applying the standard of review that would be applicable to an action proposed by a debtor over the objection of a general unsecured creditor under section 363(b) of the Bankruptcy Code or Rule 9019, as applicable.

The Advisory Committee shall have standing to enforce the Plan to the same extent as an individual creditor, as well as standing to enforce the Advisory Committee's own rights under the Plan.

The Advisory Committee shall continue until such time as Allowed General Unsecured Claims have been paid 100% of their Allowed amounts plus interest at the Consensus Rate as provided in the Plan, and then shall be disbanded. In the event of a vacancy on the Advisory Committee, the other members of the Advisory Committee may appoint a replacement member reasonably acceptable to the Wind Down Board by written notice to the Court.

5.21. Supplemental Remission Fund

The Debtors, in consultation with the Supporting Parties, may establish a segregated fund (the "Supplemental Remission Fund") to receive any funds otherwise payable to the Holders of Allowed Senior Subordinated Governmental Claims (the "Remission Fund Sponsors"). The Plan Administrator may manage funds in the Supplemental Remission Fund on the same basis as any other funds of the Wind Down Entities. If established, the Supplemental Remission Fund shall constitute property of the Wind Down Entities and part of their Cash; *provided* that the Plan Administrator shall (a) keep such Supplemental Remission Fund segregated, and (b) apply funds in the Supplemental Remission Fund only (i) to pay costs and expenses incurred in connection with the activities of the Supplemental Remission Fund, (ii) to make distributions of any available funds to (x) Holders of Allowed Dotcom Customer Entitlement Claims, Allowed U.S. Customer Entitlement Claims and Allowed Digital Asset Loan Claims and (y) FTX DM for the benefit of Holders of Eligible DM Customer Entitlement Claims, in each case, on a Pro Rata basis or as otherwise agreed between the Plan Administrator

and the Remission Fund Sponsors, in consultation with the Advisory Committee, or (iii) as ordered by the Bankruptcy Court. The Plan Administrator shall file on the docket of these Chapter 11 Cases notices describing any agreement with any Remission Fund Sponsor to contribute to the Supplemental Remission Fund, as well as any agreed guidelines for distributions. The Plan Administrator shall file periodic reports on the docket of these Chapter 11 Cases with respect to the balance in the Supplemental Remission Fund and its distribution activities.

5.22. Preferred Shareholder Fund

In connection with the Debtors' efforts to recover Forfeiture Proceeds, the Debtors have entered into the Preferred Shareholder Settlement Agreement in anticipation that the DOJ or other applicable governmental authorities may request that a portion of the Forfeiture Proceeds be allocated to Holders of Preferred Equity Interests who are not otherwise expected to receive a distribution under the Plan. As contemplated by the Preferred Shareholder Settlement Agreement, the Debtors or the Consolidated Wind Down Trust may establish a segregated fund (the "Preferred Shareholder Fund") to receive and hold the applicable portion of such Forfeiture Proceeds for the benefit of Holders of Preferred Equity Interests, and may manage such Preferred Shareholder Fund and make distributions therefrom in accordance with the Preferred Shareholder Settlement Agreement and any applicable agreement with the DOJ or such other applicable governmental authorities. The Preferred Shareholder Fund shall not constitute property of the Estates or property of the Consolidated Wind Down Trust except to the extent of their respective interests therein.

6. TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

6.1. Rejection of Executory Contracts and Unexpired Leases

Except as otherwise provided herein, and subject to the occurrence of the Effective Date, all Executory Contracts and Unexpired Leases will be rejected by the Plan on the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code, other than Executory Contracts or Unexpired Leases (a) previously assumed or rejected pursuant to an order of the Bankruptcy Court, (b) that are the subject of a pending motion to assume or (c) that are specifically described in the Plan to be assumed in connection with the Plan. Entry of the Confirmation Order by the Bankruptcy Court, subject to and upon the occurrence of the Effective Date, shall constitute approval of the rejection of such Executory Contracts and Unexpired Leases pursuant to sections 365 and 1123 of the Bankruptcy Code. Unless otherwise indicated, rejection of the Executory Contracts and Unexpired Leases pursuant to the Plan shall be effective as of the Effective Date.

6.2. Claims Against the Debtors upon Rejection

No Executory Contract or Unexpired Lease rejected by the Debtors on or prior to the Effective Date shall create any obligation or liability of the Debtors that is not a Claim. Any Proof of Claim arising from or relating to the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan must be filed with the Notice and Claims Agent before the Rejected Contract Claims Bar Date. **Any Claim arising from or relating to the rejection of an Executory Contract or Unexpired Lease that is not filed with the Notice and Claims Agent by the Rejected Contract Claims Bar Date will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, the Debtors' Estates, the Wind Down Entities, the Plan Administrator or any of their property.** Any Allowed Claim arising from the rejection of an Executory Contract or Unexpired Lease shall be classified as a General Unsecured Claim and shall be treated in accordance with Section 4.3.9.

6.3. Modification, Amendments, Supplements, Restatements or Other Agreements

Unless otherwise provided in the Plan, each Executory Contract or Unexpired Lease that is rejected shall include all modifications, amendments, supplements, restatements or other agreements that in any manner affect such Executory Contract or Unexpired Lease, and all Executory Contracts and Unexpired Leases related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal and any other interests, unless any of the foregoing agreements have been previously rejected or repudiated or are rejected or repudiated under the Plan.

Modifications, amendments, supplements and restatements to Prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the Prepetition nature of such Executory Contracts or Unexpired Leases or the validity, priority or amount of any Claims that may arise in connection therewith.

6.4. Reservation of Rights

Nothing contained in the Plan shall constitute an admission by the Debtors that any contract or lease is in fact an Executory Contract or Unexpired Lease, or that any Debtor has any liability thereunder.

7. PROVISIONS GOVERNING DISTRIBUTIONS

7.1. Accrual of Postpetition Interest on Certain Claims

Unless otherwise provided in the Plan, to the extent that postpetition interest accrues on an Allowed Separate Subsidiary Claim, an Allowed Dotcom Customer Entitlement Claim, an Allowed U.S. Customer Entitlement Claim, an Allowed General Unsecured Claim or an Allowed Digital Asset Loan Claim pursuant to Article 4, such postpetition interest shall accrue on any unpaid balance of such Allowed Claim from the Petition Date through the applicable Distribution Date on which such Allowed Claim is paid; *provided* that, to the extent that a Disputed Claim becomes an Allowed Claim on which postpetition interest accrues pursuant to Article 4, postpetition interest shall accrue on such Allowed Claim as if such Allowed Claim had been an Allowed Claim that received a Distribution on each date Distributions were previously made to Holders of the Allowed Claims classified in the applicable Class. No Holder of an Allowed Separate Subsidiary Claim, Allowed Dotcom Customer Entitlement Claim, Allowed U.S. Customer Entitlement Claim, Allowed General Unsecured Claim or Allowed Digital Asset Loan Claim has an entitlement to postpetition interest except to the extent of available funds in accordance with the waterfall priority set forth in Section 4.2.

7.2. Distributions Timing

7.2.1 Determination for Distributions to FTX DM. Before the Initial Distribution Date or any Distribution Date thereafter, the Plan Administrator shall determine, in accordance with the FTX DM Global Settlement Agreement, whether it needs to advance Cash to FTX DM to pay distributions to holders of DM Customer Entitlement Claims in accordance with the FTX DM Global Settlement Agreement.

7.2.2 Initial Distribution Date. On the Initial Distribution Date, the Distribution Agent shall commence Distributions under the Plan on account of each Claim that is Allowed on or prior to the Effective Date.

7.2.3 Subsequent Distributions. The Plan Administrator shall identify, in his or her discretion and in accordance with the Plan Administration Agreement, dates to be Subsequent Distribution Dates for the purpose of making additional Distributions under the Plan. Each Subsequent Distribution Date shall be a Business Day. On each Subsequent Distribution Date, the Plan Administrator shall direct the Distribution Agent to make Distributions with Cash on hand net of reserves, as determined by the Plan Administrator and the Wind Down Board.

7.2.4 Distributions to Holders of Claims Allowed After the Effective Date. The Distribution Agent shall make Distributions to Holders of Claims Allowed after the Effective Date in accordance with the applicable provision of Article 4 on the first Subsequent Distribution Date after such Claim is Allowed. Unless the Plan Administrator otherwise agrees, no partial Distribution shall be made with respect to such Claim until all disputes in connection with such Claim have been resolved by Final Order of the Bankruptcy Court.

7.3. Distributions to Holders of Customer Entitlement Claims

7.3.1 Distributions to FTX DM. In accordance with Section 7.2.1, before the Initial Distribution Date or any Distribution Date thereafter, the Plan Administrator or the Distribution Agent shall make any distribution of Cash to FTX DM for the benefit of holders of DM Customer Entitlement Claims that have made the Bahamas Opt-In Election in accordance with the FTX DM Global Settlement Agreement.

7.3.2 Distributions of Dotcom Customer Entitlement Claims, U.S. Customer Entitlement Claims and Allocations of Wind Down Cash Proceeds. On any Distribution Date, the Plan Administrator may direct the Distribution Agent to Distribute to the Holders of Allowed Dotcom Customer Entitlement Claims and Allowed U.S. Customer Entitlement Claims the Wind Down Cash Proceeds that the Plan Administrator in accordance with the Plan and the Plan Administration Agreement, determines are Wind Down Cash Proceeds that belong to the Dotcom Customer Priority Assets or U.S. Customer Priority Assets, respectively, in each case, in accordance with Sections 4.3.6 and 4.3.7.

7.3.3 Final Distribution at Closing of the Chapter 11 Cases. On or prior to the closing of the Chapter 11 Cases, the Plan Administrator shall Distribute (such Distribution, the “Final Distribution”) all remaining Wind Down Cash Proceeds in accordance with the waterfall priority set forth in Section 4.2 and the classification and treatment set forth in Section 4.3.

7.4. Record Date and Delivery of Distributions

7.4.1 Record Date for Distributions

In advance of each Distribution Date, the Plan Administrator shall establish a Distribution Record Date for purposes of determining the Holders of Allowed Claims entitled to receive a Distribution on such Distribution Date, which Distribution Record Date shall be no less than 45 and no more than 75 days prior to the corresponding Distribution Date. On each Distribution Record Date, the Claims Register shall be closed and the Distribution Agent shall be authorized and entitled to recognize only those Holders of Claims listed on the Claims Register as of the close of business on such Distribution Record Date. If a Claim is transferred 45 or fewer days before the applicable Distribution Record Date, the Distribution Agent shall make distributions to the transferee only to the extent practical, and, in any event, only if the relevant transfer form contains an unconditional and explicit certification and waiver of any objection to the transfer by the transferor.

7.4.2 Delivery of Distributions in General

Except as otherwise provided herein, the Distribution Agent, at the direction of the Plan Administrator, shall make all Distributions required under the Plan to Holders of Allowed Claims. Except as otherwise provided herein, and notwithstanding any authority to the contrary, Distributions to Holders of Allowed Claims shall be made to Holders of record as of the applicable Distribution Record Date by the Distribution Agent, as appropriate: (a) to the signatory set forth on any of the Proofs of Claim filed by such Holder or other representative identified therein; (b) at the address set forth in any written notice of change of address delivered

to the Notice and Claims Agent; (c) at the address set forth in any notice of transfer that has become effective pursuant to Bankruptcy Rule 3001(e); or (d) at the address reflected in the Schedules if no Proof of Claim has been filed and the Notice and Claims Agent has not received a written notice of a change of address. The Plan Administrator may, but shall not be required to, withhold any Distribution to a Holder of an Allowed Claim upon receipt of written notice to the Plan Administrator of pending litigation concerning an executed agreement by such Holder to sell such Allowed Claim in order to seek specific instructions of the Bankruptcy Court prior to making such Distribution. The Debtors, the Plan Administrator, the Distribution Agent, the Wind Down Entities and the Notice and Claims Agent shall not incur any liability whatsoever on account of the withholding or delivery of any Distributions under the Plan.

In the event that any payment or distribution under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or distribution may be completed on the next succeeding Business Day but shall be deemed to have been completed as of the required date. Except as specifically provided in the Plan, Holders of Allowed Claims shall not be entitled to interest, dividends or accruals on the Distributions provided for in the Plan, regardless of whether such Distributions are delivered on or at any time after the Effective Date.

7.4.3 Foreign Currency Exchange Rate

Except as otherwise provided herein, an order of the Bankruptcy Court or as agreed to by the Holder and the Debtors or the Plan Administrator, as applicable, any Claim asserted in a currency other than U.S. Dollars shall be automatically deemed converted to the equivalent U.S. Dollars at the Exchange Rate.

7.5. Distribution Agent

The Plan Administrator shall have the authority to enter into an agreement with a Distribution Agent to facilitate the Distributions required under the Plan. To the extent the Plan Administrator determines to utilize a Distribution Agent to facilitate the Distributions, such Distribution Agent would first be required to: (a) affirm its obligation to facilitate the prompt distribution of any documents; (b) affirm its obligation to facilitate the prompt distribution of any recoveries or Distributions required under the Plan; and (c) waive any right or ability to set off, deduct from or assert any Lien or other encumbrance against the Distributions required under the Plan to be distributed by such Distribution Agent.

The Debtors or the Plan Administrator, as applicable, shall pay to the Distribution Agent all of its reasonable and documented fees and expenses without the need for any approvals, authorizations, actions or consents of the Bankruptcy Court or otherwise. The Distribution Agent shall submit detailed invoices to the Plan Administrator for all fees and expenses for which the Distribution Agent seeks reimbursement, and the Plan Administrator shall pay those amounts that it, in its sole discretion, deems reasonable, and shall object to those fees and expenses, if any, that the Plan Administrator deems to be unreasonable. In the event that the Plan Administrator objects to all or any portion of the amounts requested to be reimbursed in the Distribution Agent's invoice, the Plan Administrator and the Distribution Agent shall endeavor, in good faith, to reach mutual agreement on the amount of the appropriate

payment of such disputed fees and/or expenses. In the event that the Plan Administrator and the Distribution Agent are unable to resolve any differences regarding disputed fees or expenses, either party shall be authorized to move to have such dispute heard by the Bankruptcy Court.

7.6. Fractional and *De Minimis* Distributions

Notwithstanding anything herein to the contrary, the Plan Administrator and the Distribution Agent shall not be required to make Distributions in Cash or payments of less than \$10. Any Holder of an Allowed Claim on account of which the amount of Cash or other property to be distributed is less than \$10 shall be forever barred from asserting such Claim against the Debtors, the Estates, the Plan Administrator, the Wind Down Entities or any of their property.

7.7. Undeliverable Distributions

In the event that any Distribution to any Holder is returned as undeliverable, or no address for such Holder is found in the Debtors' or Notice and Claims Agent's records, no further Distribution to such Holder shall be made unless and until the Plan Administrator or the Distribution Agent is notified in writing of the then-current address of such Holder, at which time such Distribution shall be made to such Holder not less than 30 days thereafter. Undeliverable Distributions shall remain in the possession of the Plan Administrator or the Distribution Agent until such time as such Distribution becomes deliverable or such Distribution reverts to the relevant Wind Down Entity or is cancelled pursuant to Section 7.8 and shall not be supplemented with any interest, dividends or other accruals of any kind. Nothing contained herein shall require the Plan Administrator to attempt to locate any Holder of an Allowed Claim whose Distribution is declared an undeliverable or Unclaimed Distribution.

7.8. Reversion

Any Distribution under the Plan, including Distributions made by the Plan Administrator or the Distribution Agent in accordance with Section 7.5, that is an Unclaimed Distribution for a period of six months thereafter, shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code, and such Unclaimed Distribution shall revert in the relevant Wind Down Entity as Plan Assets with respect to Unclaimed Distributions on account of Claims, *provided, however*, that the Plan Administrator and the Distribution Agent shall use commercially reasonable efforts to notify the Holder of such Unclaimed Distribution within three months of the applicable Distribution Date. The Plan Administrator and the Distribution Agent are deemed to have satisfied their use of commercially reasonable efforts by mailing a notice to the last known address of record known to the Claims Agent and emailing such notice to the last known email address of record known to the Claims Agent. Any Distribution that is not made pursuant to Section 7.6 shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and shall revert in the relevant Wind Down Entity as Plan Assets pursuant to this Section 7.8. Upon reverting pursuant to this Section 7.8, the Claim of any Holder or its successors and assigns with respect to such property shall be cancelled and forever barred, notwithstanding any applicable federal or state escheat, abandoned or unclaimed property laws to the contrary. If any Unclaimed Distribution reverts in any Wind Down Entity as Plan Assets pursuant to this Section 7.8 after the Final Distribution is made, the Plan Administrator shall not

be required to make any subsequent Distributions to Holders of Allowed Claims or Interests under the Plan.

7.9. Surrender of Cancelled Instruments or Securities

Except as otherwise provided in the Plan, on the Effective Date, or as soon as reasonably practicable thereafter, each holder of a Certificate shall be deemed to have surrendered such Certificate to the Distribution Agent. Subject to the foregoing sentence, regardless of any actual surrender of a Certificate, the deemed surrender shall have the same effect as if its Holder had actually surrendered such Certificate, and such Holder shall be deemed to have relinquished all rights, Claims and Interests with respect to such Certificate. Notwithstanding the foregoing paragraph, this Section 7.9 shall not apply to any Claims reinstated pursuant to the terms of the Plan.

7.10. Setoffs

Except as otherwise provided herein, a Final Order of the Bankruptcy Court, or as agreed to by the Holder and the Debtors or the Plan Administrator, as applicable, pursuant to the Bankruptcy Code (including section 553), applicable non-bankruptcy law, or such terms as may be agreed to by the Holder and the Debtors or the Plan Administrator, as applicable, the Debtors may, without any further notice to, or action, order or approval of the Bankruptcy Court, set off against any Allowed Claim and the Distributions to be made on account of such Allowed Claim (before any Distribution is made on account of such Allowed Claim), any claims, rights and Causes of Action of any nature that such Debtor or the Plan Administrator, as applicable, may hold against the Holder of such Allowed Claim, to the extent such claims, rights or Causes of Action against such Holder have not been otherwise compromised or settled on or prior to the Effective Date (whether pursuant to the Plan or otherwise); *provided* that neither the failure to effect such a setoff nor the allowance of any Claim pursuant to the Plan shall constitute a waiver or release by such Debtor or the Plan Administrator of any such Claims, rights and Causes of Action that such Debtor or the Plan Administrator may possess against such Holder. In no event shall any Holder of a Claim be entitled to set off any Claim against any Claim, right, or Cause of Action of a Debtor or the Plan Administrator, as applicable, unless such Holder has filed a Proof of Claim in these Chapter 11 Cases by the applicable Claims Bar Date preserving such setoff and a Final Order of the Bankruptcy Court has been entered, authorizing and approving such setoff.

7.11. The Bahamas Opt-In Election

All Bahamas Customers forever, fully and finally release and discharge the Debtors with respect to any Dotcom Customer Entitlement Claims and Dotcom Convenience Claims and forever, fully and finally withdraw with prejudice such Dotcom Customer Entitlement Claims and Dotcom Convenience Claims from these Chapter 11 Cases. No Bahamas Customer who timely makes a valid Bahamas Opt-In Election shall receive any Distribution under the Plan on account of any Dotcom Customer Entitlement Claims or Dotcom Convenience Claims. The Plan Administrator may require any Holder of any Claim to submit satisfactory evidence that such Holder has not submitted a proof of debt in the FTX DM Liquidation.

7.12. Anti-Double Dip

To the extent any Holder has received payment in full on account of any Allowed Claim in accordance with Section 4.3, such Allowed Claim shall be deemed satisfied and expunged from the claims registry without an objection to such Claim having been filed and without any further notice to or action, order or approval of the Bankruptcy Court.

To the extent that a Holder of an Allowed Claim receives payment from a party that is not a Debtor on account of such Claim, the Plan Administrator or the Distribution Agent on account of such Claim, such Holder shall, within 14 days of receipt thereof, transfer, repay or return such payment to the Plan Administrator or the Distribution Agent to the extent such Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount that other similarly-situated Holders of such Claim received as of the date of any such Distribution under the Plan. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the Plan Administrator annualized interest at the Consensus Rate on such amount owed for each Business Day after the 14-day grace period specified above until the amount is repaid.

The Plan Administrator may require any Holder of any Claim or Interest to submit satisfactory evidence that such Holder has not requested or received compensation for the same losses underlying such Claim or Interest in connection with any other judicial or administrative proceedings in any court other than the Bankruptcy Court, including, without limitation, (a) any proceedings with respect to FTX Australia, FTX Turkey, SNG Investments, FTX Europe AG, FTX EU Ltd., Quoine Pte. Ltd., FTX DM, or FTX Japan K.K., and (b) any proceedings in connection with the civil action captioned *In Re FTX Cryptocurrency Exchange Collapse Litigation*, Case No. 23-md-03076 (S.D.F.L.) pending in the United States District Court for the Southern District of Florida. The Plan Administrator may, and may direct the Distribution Agent to, withhold any Distributions on such Claim or Interest until: (a) such time as the Plan Administrator determines it has received satisfactory evidence or appropriate arrangements are in place that ensure no Holder receives more than any other similarly-situated Holder under the Plan, taking into account potential recoveries of all Holders; or (b) the Court so orders. The Plan Administrator may also adjust the amount of such Claim or Interest to ensure that the Holder of such Claim or Interest does not receive more than any other similarly-situated Holder under the Plan. As a condition to receiving any Distribution under the Plan, unless the Court orders otherwise, the Plan Administrator may require Holders of Claims or Interests to irrevocably and unconditionally assign and transfer to the Plan Administrator all right, title and interest in any claim or Cause of Action for the same losses that has been or may be made or asserted in any of the foregoing proceedings.

7.13. Compliance with Tax Requirements

In connection with the Plan, to the extent applicable, the Debtors, the Plan Administrator and the Distribution Agent shall comply with all tax withholding and reporting requirements imposed on them by any tax law, and all Distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Debtors, the Plan Administrator and the Distribution Agent shall be authorized to take all actions reasonably necessary or appropriate to comply with such

withholding and reporting requirements, including withholding in kind, liquidating a portion of the Distributions to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding Distributions pending receipt of information necessary to facilitate such Distributions or establishing any other mechanisms that are reasonable and appropriate. For purposes of the Plan, any withheld amount (or property) shall be treated as if paid to the applicable Holder. The Plan Administrator reserves the right to allocate all Distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support and other spousal awards, liens and encumbrances. Distributions in full or partial satisfaction of Allowed Claims shall be allocated first to trust fund-type taxes, then to other taxes and then to the principal amount of Allowed Claims, with any excess allocated to unpaid interest that has accrued on such Claims.

7.14. Tax Identification, KYC and OFAC Certifications

Any Holder entitled to receive any Distribution under the Plan shall, upon request, deliver to the Distribution Agent or such other Entity designated by the Plan Administrator: (a) a completed IRS Form W-9 or appropriate IRS Form W-8, as applicable; (b) a true and accurate certification that the Holder is not a Person or Entity with whom it is illegal for a U.S. person to do business under Office of Foreign Assets Control sanctions regulations and/or the list of Specially Designated Nationals and Blocked Persons; and (c) know your customer information of the Holder of such Claim, which (i) for individuals, may include, among other things, full name including any alias, date of birth, address and proof of address, identification and identification-related documents, nationality, phone number, email address, occupation, bank account information or wallet address, social security number (for U.S. citizens) and facial liveness and (ii) for institutional Holders, may include, among other things, company name, registration information, tax identification number, principal business address and phone number, business email address, information on the nature of the business and principal business activity, entity size, source of wealth/source of funds, annual revenue/profit, authorized signer, identity of ultimate beneficial owners, identity of directors and/or members of management, bank account information or wallet address and, for any ultimate beneficial owners, directors or members of management, similar identification information and records as are collected for individual Holders who are natural Persons (collectively, the “Pre-Distribution Requirements”). If a request for Pre-Distribution Requirements has not been satisfied within 30 days thereafter, a second request shall be sent to such Holder. If the Holder fails to comply with the Pre-Distribution Requirements before the date that is 60 days after a second request is made, such Holder shall be deemed to have forfeited its right to receive Distributions, and shall be forever barred and enjoined from asserting any right to Distributions made prior to the Plan Administrator receiving its executed Pre-Distribution Requirements. Any Distributions that are forfeited pursuant to this provision shall revert in the Wind Down Entities as Plan Assets. For all purposes related to this Section 7.14, the Plan Administrator and the Distribution Agent are entitled to conclusively rely on the delivery of the notice to the last known address and last known email address on file with the Claims Agent without obligation to verify such address and any such requests delivered to such address shall be deemed to be received.

7.15. Distribution of Available NFTs

Any Holder of an NFT Customer Entitlement Claim shall comply with the requirements and procedures that the Plan Administrator may establish in his or her reasonable discretion for the Distribution of Available NFTs. If a Holder of NFT Customer Entitlement Claims fails to comply with such requirements or procedures by a date determined by the Plan Administrator in his or her reasonable discretion and noticed to all Holders of NFT Customer Entitlement Claims, such Holder shall be deemed to have forfeited its right to receive Distributions of Available NFTs, and shall be forever barred and enjoined from asserting any right to Distributions on account of its NFT Customer Entitlement Claim. Any Distributions that are forfeited pursuant to this Section 7.15 shall revert in the Wind Down Entities as Plan Assets. For all purposes related to this Section 7.15, the Plan Administrator and the Distribution Agent are entitled to conclusively rely on the delivery of the notice to the last known address and last known email address on file with the Claims Agent without obligation to verify such address and any such requests delivered to such address shall be deemed to be received.

8. CLAIMS ADMINISTRATION PROCEDURES

8.1. Objections to Claims

Any objections to Claims (other than Administrative Claims) shall be filed on or before the Claims Objection Deadline. The Claims Objection Deadline may be extended by the Plan Administrator, by filing a motion to extend on or before the Claims Objection Deadline. The Plan Administrator shall have standing to object to Claims. Except as otherwise set forth in the Plan, after the Effective Date, the Plan Administrator and each Wind Down Entity shall have and retain any and all rights and defenses the applicable Debtor had with respect to any Claim immediately before the Effective Date.

8.2. Estimation of Claims

Except as may be provided in the Digital Assets Estimation Order, before or after the Effective Date, the Debtors or the Plan Administrator, as applicable, may, within their reasonable discretion, at any time request that the Bankruptcy Court estimate any Disputed Claim that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim, including during the litigation of any objection to any Claim or during the appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Claim that has been expunged from the Claims Register, but that either is subject to appeal or has not yet been the subject of a Final Order, shall be deemed to be estimated at zero dollars unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including, but not limited to, for purposes of Distributions), and the Plan Administrator may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim.

Claims may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court or under the Plan. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation of such Claim unless the Holder of such Claim has filed a motion with the Bankruptcy Court requesting the right to seek such reconsideration on or before 20 calendar days after the date such Claim is estimated by the Bankruptcy Court.

8.3. Expungement and Disallowance of Claims

8.3.1 Paid, Satisfied, Amended, Duplicated or Superseded Claims

Any Claim or Interest that has been paid, satisfied, amended, duplicated (by virtue of the substantive consolidation provided for under the Plan or otherwise), superseded or otherwise dealt with or treated in the Plan, may be adjusted or expunged on the Claims Register at the direction of the Plan Administrator without the Plan Administrator having to file an objection,

application, motion, complaint or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order or approval of the Bankruptcy Court.

8.3.2 Claims by Persons from Whom Property Is Recoverable

Unless otherwise agreed to by the Debtors, the Plan Administrator or ordered by the Bankruptcy Court, any Claims held by any Person or Entity from which property is recoverable under section 542, 543, 550 or 553 of the Bankruptcy Code, or that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549 or 724(a) of the Bankruptcy Code, shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and any Holder of such Claim may not receive any Distributions on account of such Claim until such time as such Cause of Action against that Person or Entity has been resolved.

8.4. Amendments to Proofs of Claim

On or after the Effective Date, a Proof of Claim may not be amended (other than solely to update or correct the name or address of the Holder of such Claim) without the prior authorization of the Bankruptcy Court or the Plan Administrator, and any such amended Proof of Claim filed without such prior authorization shall be deemed disallowed in full and expunged without any further notice to or action, order or approval of the Bankruptcy Court.

8.5. Disputed Claims Reserve

On or prior to the Initial Distribution Date, the Plan Administrator shall establish, if necessary, a reserve (the “Disputed Claims Reserve”) (a) on account of Disputed Claims that may be subsequently Allowed after the Effective Date, and (b) to cover payments to FTX DM that may be required under the FTX DM Global Settlement Agreement. The Plan Administrator shall (i) reserve, as necessary, cash on hand in a manner consistent with Article 4 on account of the Disputed Claims Reserve in the amount that would otherwise be distributable to estimated Disputed Claims pursuant to the Plan, (ii) administer, adjust and maintain the Disputed Claims Reserve, and (iii) withhold in the Disputed Claims Reserve any amount to fund subsequent Distributions pursuant to the Plan or payments that may be under the FTX DM Global Settlement Agreement. The Plan Administrator may, but shall not be required to, seek estimation of any Disputed Claim by the Bankruptcy Court under section 502 of the Bankruptcy Code.

8.6. No Distributions Pending Allowance

If an objection to the amount, validity, priority or classification of a Claim or a portion thereof is filed or is intended to be filed as set forth in this Article 8 or a Claim otherwise remains a Disputed Claim, except as otherwise provided in a Final Order of the Bankruptcy Court, no payment or Distribution provided under the Plan shall be made on account of such Claim or portion thereof, as applicable, unless and until such Disputed Claim becomes an Allowed Claim or is otherwise settled or resolved.

8.7. Distributions After Allowance

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, Distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the applicable provisions of the Plan.

8.8. Administration Responsibilities

Except as otherwise specifically provided in the Plan, after the Effective Date the Plan Administrator shall have the sole authority (subject to the terms of the Plan Administration Agreement) to (a) file, withdraw or litigate to judgment objections to Claims, other than Claims that are subject to a valid and timely Bahamas Opt-In Election, (b) settle or compromise any Disputed Claim without any further notice to or action, order or approval of the Bankruptcy Court, (c) administer and adjust, or cause to be administered and adjusted, the Claims Register to reflect any such settlements or compromises without any further notice to or action, order or approval of the Bankruptcy Court and (d) determine, without the need for notice to or action, order or approval of the Bankruptcy Court, that a Claim subject to any Proof of Claim that is filed is Allowed. Nothing in this Section 8.8 shall limit the ability under the Bankruptcy Code of any party-in-interest to object to any Claim prior to the Claims Objection Deadline unless otherwise ordered by the Bankruptcy Court.

8.9. Claims Paid or Payable by Third Parties

The Debtors or the Plan Administrator, as applicable, shall reduce a Claim, and such Claim (or portion thereof) shall be disallowed without a Claims objection having to be filed and without any further notice to or action, order or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment on account of such Claim from a party that is not a Debtor or the Plan Administrator. To the extent a Holder of a Claim receives a Distribution on account of such Claim and also receives payment from a party that is not a Debtor or the Plan Administrator on account of such Claim, such Holder shall, within 14 days of receipt thereof, repay or return the Distribution to the applicable Debtor, the applicable Wind Down Entity, or the Plan Administrator, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Allowed Claim as of the applicable Distribution Date.

9. CONDITIONS PRECEDENT TO EFFECTIVENESS OF THE PLAN

9.1. Conditions Precedent to the Effective Date

It shall be a condition to the Effective Date of the Plan that the following conditions shall have been satisfied or waived pursuant to the provisions of this Article 9.

- (a) Confirmation Order. The Confirmation Order shall have been entered in form and substance reasonably acceptable to the Debtors, in consultation with the Supporting Parties, and there shall not be a stay or injunction in effect with respect thereto.
- (b) Professional Fee Escrow Account. The Debtors shall have established and funded the Professional Fee Escrow Account in accordance with Section 3.4.2.
- (c) Professional Fee Payments. All professional fees and expenses of the Debtors, the Official Committee and the Ad Hoc Committee as of the Effective Date that were due and payable under an order of the Bankruptcy Court shall have been paid in full, other than any Professional Claims subject to approval by the Bankruptcy Court.
- (d) IRS Settlement. (i) The Bankruptcy Court shall have entered an order in form and substance reasonably acceptable to the Debtors approving the IRS Settlement, (ii) the IRS Settlement shall not have been terminated or suspended, and (iii) all conditions precedent to the effectiveness of the IRS Settlement, other than the occurrence of the Effective Date, shall have been satisfied.
- (e) FTX DM Global Settlement Agreement. The FTX DM Global Settlement Agreement shall be in full force and effect and shall not have been terminated or suspended.
- (f) Plan Documents. The Plan, Plan Supplement, Confirmation Order and all documents related thereto shall be in form and substance reasonably acceptable to the Debtors and any conditions precedent thereto shall have been satisfied, waived or satisfied contemporaneously with the occurrence of the Effective Date; *provided that*, to the extent any proposed documents would adversely affect the amount or timing of Distributions or the rights or powers of the Plan Administrator, the Advisory Committee or the Appointed Director, such documents shall also be in form and substance reasonably acceptable to the Supporting Parties.
- (g) Necessary Documents. All actions, documents, certificates and agreements necessary to implement the Plan, including the Plan Administration Agreement, shall have been effected or executed and delivered, as applicable.

- (h) Necessary Authorizations. All authorizations, consents, regulatory approvals, rulings or documents that are necessary to implement and effectuate the Plan as of the Effective Date shall have been received, waived or otherwise resolved.
- (i) Governmental Action. No governmental entity or federal or state court of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any law or order (whether temporary, preliminary or permanent), in any case which is in effect and which prevents or prohibits consummation of the Plan or any of the other transactions contemplated hereby and no governmental entity shall have instituted any action or proceeding (which remains pending at what would otherwise be the Effective Date) seeking to enjoin, restrain or otherwise prohibit consummation of the transactions contemplated by the Plan.

9.2. Waiver of Conditions

The Debtors may, in consultation with the Supporting Parties, waive conditions to the occurrence of the Effective Date set forth in this Article 9 at any time without further notice, leave or order the Bankruptcy Court or any formal action other than proceeding to consummate the Plan; *provided* that the Debtors may not waive the condition set forth in Section 9.1(e) without the prior written consent of the Bahamas JOLs.

9.3. Simultaneous Transactions

Except as otherwise expressly set forth in the Plan, the Confirmation Order or a written agreement by the Debtors, each action to be taken on the Effective Date shall be deemed to occur simultaneously as part of a single transaction.

9.4. Effect of Non-Occurrence of the Effective Date

If the Effective Date does not occur by the ninetieth (90th) day following the date on which the Confirmation Order becomes a Final Order, the Plan shall be null and void in all respects and nothing contained in the Plan or the Disclosure Statement shall constitute a waiver or release of any claims by or Claims against or Interests in the Debtors, prejudice in any manner the rights of the Debtors or any other Person, or constitute an admission, acknowledgment, offer or undertaking by the Debtors or any Person.

9.5. Notice of Effective Date

As soon as practicable after the Effective Date has occurred, the Plan Administrator shall file with the Bankruptcy Court a notice specifying the Effective Date.

10. SETTLEMENT, RELEASE, INJUNCTION AND RELATED PROVISIONS

10.1. Subordinated Claims

The Debtors reserve the right to reclassify or modify the treatment of any Allowed Claim or Interest in accordance with any contractual, legal or equitable subordination rights, except to the extent the Debtors have otherwise agreed in writing with the Holder of the applicable Allowed Claim or Interest.

10.2. Release of Liens

Except as otherwise provided in the Plan or in any contract, instrument, release or other agreement or document entered into or delivered in connection with the Plan, on the Effective Date, all mortgages, deeds of trust, Liens, pledges or other security interests against any property of the Estates shall be fully released and cancelled, and all of the rights, title and interest of any Holder of such mortgages, deeds of trust, Liens, pledges or other security interests shall revert to the Wind Down Entities and their successors and assigns. Any Holder of such mortgage, deed of trust, Lien, pledge or other security interest (and the applicable agents for such holder) shall be authorized and directed to release any collateral or other property of any Debtor (including any cash collateral and possessory collateral) held by such Holder (and the applicable agents for such holder), and to take such actions as may be reasonably requested by the Plan Administrator to evidence such release, including the execution, delivery and filing or recording of such releases. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

10.3. Debtors' Release

Except as otherwise specifically provided in the Plan with respect to the Preserved Potential Claims, for good and valuable consideration, including the service of the Released Parties and the Supporting Preferred Shareholders and their Affiliates (in their capacities as such) to facilitate the administration of the Chapter 11 Cases and the implementation of the orderly liquidation contemplated by the Plan, on and after the Effective Date, to the fullest extent permitted by applicable law, the Released Parties and the Supporting Preferred Shareholders and their Affiliates (in their capacities as such) are hereby conclusively, absolutely, unconditionally, irrevocably and forever released, waived and discharged by the Debtors, the Plan Administrator and the Estates, including any successor to, or assignee of the Debtors or any Estate representative, from all claims, obligations, rights, suits, damages, Causes of Action, remedies and liabilities whatsoever, including any derivative claims asserted or assertable on behalf of a Debtor, and its successors, assigns and representatives, whether known or unknown, foreseen or unforeseen, liquidated or unliquidated, contingent or fixed, existing or hereafter arising, in law, at equity or otherwise, whether for indemnification, tort, breach of contract, violations of federal or state securities laws or otherwise, including those that any of the Debtors, the Plan Administrator or the Estates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or

Interest or any other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Estates, the conduct of the businesses of the Debtors, these Chapter 11 Cases, the purchase, sale or rescission of the purchase or sale of any Security of the Debtors, the release of any mortgage, lien or security interest, the distribution of proceeds, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the administration of Claims and Interests prior to or during these Chapter 11 Cases, the negotiation, formulation or preparation of the Plan, the Plan Supplement, the Disclosure Statement or, in each case, related agreements, instruments or other documents, any action or omission with respect to Intercompany Claims, any action or omission as an officer, director, agent, representative, fiduciary, controlling person, member, manager, affiliate or responsible party, or upon any other act or omission, transaction, agreement, event or other occurrence taking place on or before the Effective Date of the Plan, other than claims or liabilities arising out of or relating to any act or omission of a Released Party or Supporting Preferred Shareholder or their Affiliates (in their capacities as such) to the extent such act or omission is determined by a Final Order to have constituted gross negligence, willful misconduct, fraud, or a criminal act; *provided* that the release under this Section 10.4 shall not apply to (a) any Excluded Party, (b) Causes of Action to the extent arising out of conduct that occurred prior to the Petition Date, or (c) any Preserved Potential Claims to the extent such Preserved Potential Claims are brought by and for the benefit of the Wind Down Entities with the approval of the Plan Administrator. Nothing in the Plan or Confirmation Order shall affect any releases previously granted or approved by the Court.

10.4. Voluntary Release by Holders of Claims and Interests

For good and valuable consideration, including the service of the Released Parties to facilitate the administration of the Chapter 11 Cases, the implementation of the Plan, and the distribution of proceeds, on and after the Effective Date, to the fullest extent permitted by applicable law, the Releasing Parties (regardless of whether a Releasing Party is a Released Party) shall be deemed to conclusively, absolutely, unconditionally, irrevocably and forever release, waive and discharge the Released Parties of any and all claims, obligations, rights, suits, damages, Causes of Action, remedies and liabilities whatsoever, including any derivative claims asserted or assertable on behalf of a Debtor, and its successors, assigns and representatives, whether known or unknown, foreseen or unforeseen, liquidated or unliquidated, contingent or fixed, existing or hereafter arising, in law, at equity or otherwise, whether for indemnification, tort, breach of contract, violations of federal or state securities laws or otherwise, including those that any of the Debtors, the Plan Administrator, FTX DM, the Bahamas JOLs, or the Estates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or any other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Estates, FTX DM, the conduct of the businesses of the Debtors or FTX DM, these Chapter 11 Cases, the purchase, sale or rescission of the purchase or sale of any Security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the Plan Supplement, the FTX DM Global Settlement Agreement or the Disclosure Statement, the administration of Claims and Interests prior to or during these Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan, the Plan Supplement, the

Disclosure Statement or, in each case, related agreements, instruments or other documents, any action or omission with respect to Intercompany Claims, any action or omission as an officer, director, agent, representative, fiduciary, controlling person, member, manager, affiliate or responsible party, or upon any other act or omission, transaction, agreement, event or other occurrence taking place on or before the Effective Date of the Plan, other than claims or liabilities arising out of or relating to any act or omission of a Released Party to the extent such act or omission is determined by a Final Order to have constituted gross negligence, willful misconduct, fraud, or a criminal act. Nothing in this Section 10.5 shall cause the release of (a) any Excluded Party, (b) Causes of Action to the extent arising out of conduct that occurred prior to the Petition Date, or (c) any Preserved Potential Claims that are otherwise transferred to, and may be prosecuted by, the Wind Down Entity pursuant to the terms of the Plan.

10.5. FTX DM and JOL Releases

The releases in the FTX DM Global Settlement Agreement are hereby expressly incorporated and repeated herein. Nothing in the Plan or Confirmation Order shall affect the releases previously granted or approved by the Court pursuant to the order approving the FTX DM Global Settlement Agreement.

10.6. Scope of Releases

Each Person providing releases under the Plan, including the Debtors, the Plan Administrator, the Estates and the Releasing Parties, shall be deemed to have granted the releases set forth in the Plan notwithstanding that such Person may hereafter discover facts in addition to, or different from, those which it now knows or believes to be true, and without regard to the subsequent discovery or existence of such different or additional facts, and such Person expressly waives any and all rights that it may have under any statute or common law principle which would limit the effect of such releases to those claims or causes of action actually known or suspected to exist at the time of execution of such release.

10.7. Exculpation

Notwithstanding anything herein to the contrary, as of the Effective Date, the Debtors and their directors, officers, employees, attorneys, investment bankers, financial advisors, restructuring advisors and other professional advisors, representatives and agents will be deemed to have solicited acceptances of the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code, including section 1125(e) of the Bankruptcy Code and any applicable non-bankruptcy law, rule or regulation governing the adequacy of disclosure in connection with the solicitation.

As of the Effective Date, to the fullest extent permitted by applicable law, and without affecting or limiting the releases set forth in Section 10.4 or Section 10.5 of the Plan, the Exculpated Parties shall neither have nor incur any liability to any Entity for any act or omission occurring on or after the Petition Date and on or before the Effective Date in connection with, related to, or arising out of these Chapter 11 Cases, including (a) the

administration and adjudication of Claims and Interests during these Chapter 11 Cases; (b) formulating, negotiating, preparing, disseminating, implementing, administering, confirming and/or effecting the Plan, the Disclosure Statement, the Plan Supplement or any related contract, instrument, release or other agreement or document created or entered into in connection with the Chapter 11 Cases (including the solicitation of votes for the Plan and other actions taken in furtherance of Confirmation and Consummation of the Plan, the trading or sale of cryptocurrencies and tokens in connection with the Chapter 11 Cases, the offer and issuance of any securities under or in connection with the Plan and the distribution of property, Digital Assets, or tokens under the Plan); or (c) any other transaction, agreement, event, or other occurrence related to these Chapter 11 Cases taking place on or before the Effective Date, other than liability resulting from any act or omission that is determined by Final Order to have constituted gross negligence, willful misconduct, fraud or a criminal act. Notwithstanding anything contained herein to the contrary, the foregoing exculpation does not exculpate any Excluded Party. Nothing in the Plan or Confirmation shall affect any exculpation orders previously granted or approved by the Court.

10.8. Injunction
